The Toledo Creamery received a total of 1360 pounds of cream last Friday. This would make in the neighborhood of 500 pounds of butter. If there was that much cream brought in every day—and there should be—a creamery would be a paying proposition in Toledo. The dairying industry in this county is on the increase, and the farmers are begining to realize that there is more money to be made in the dairy business, and that this country is better adapted for that purpose than anything else. Where a few years ago each rancher only kept one or two cows, he now has from eight to twelve and is increasing his herd in both quality and number as fast as he can. The Toledo Creamery has in the neighborhood of 40 patrons each receiving from ten to sixty dollars, monthly. This is no small pay roll in itself, but in a few years when the number of patrons is more than doubled and each man's check is more than doubled, the monthly pay roll will be $4000.00 per month instead of $1000.00 as it is now. Dairying, this is Lincoln county's main industry. The lumbering industry will be a big industry while it lasts and will help the country according'ly, but the dairy business is here to stay and will be the making of this county. Dairying and fruit raising are what this country is adapted to and the sooner they are taken up more extensively, the sooner the citizens of Lincoln county will be numbered among the millioniares.

Baseball at Newport

Last Sunday Elk City and Newport played a very interesting game on the Newport diamond. The game resulted in a victory for Elk City by a score of 13 to 7.

Next Sunday Elk City and the Soldiers are scheduled for a game to be played on the Newport diamond.

Corvallis vs. Siletz

Corvallis and Siletz are matched for a game of ball on the Toledo diamond next Sunday. This promises to be the best game of the season and everyone should attend.

Elk Bags Game.

You ought to a been on the bridge at Elk
When the boys got back from the Bay,
They yelled to the tune of a wonderful score
And they yelled with a whoop hooray,

The score was a sev an' a big thirteen—
Now isn't that awfully odd?
So they let out a yell like a steam caliwhoop,
With the Bay Boys under the sod.

Some said the score was a sev an' a twelve
And some said a baker's doz,
But you couldn't tell in that awful yell
Whichever way it was.

For seven days that Siwash swat
Had looked all the vets,
Since Elk Boys loaned their laurels to
Those Duskies from Siletz.

They had a sneakin' idee, though,
From "Willie" back to "Ben,"
That lucky gets a lickin' an'
The best loose now an' then.

So you ought to been on the bridge at Elk,
When the Boys got back from the Bay,
For they let out a yell like a whoop in hell
An' they whooped with a whoop hooray!

—Hi Swan.
