Waldport Items.

Prof. Earl Brown is working on
the school house sidewalk this week.
County Superintendent R. P.
Goin is visiting the teachers in the
South end of the county.

At a meeting of the School Board
held Thursday the present teachers
were employed for another year.

Louis Wiedman has purchased a
lot in Rubles Third Addition and
later will put up a building.

Frank Daly left last week for
Portland and will probably remain
some time.

Mr. I. M. Thomas has purchased
a place near Tidewater and will
bring his family in soon.

Mr. John Beach of Corvallis, was
in last week and purchased the
Seigel place at the mouth of the
Yachats.

Virgil Howell has returned from
the Valley and will spend most of
the Summer at the Yachats. Mr.
Howell will permanently locate here
again this Fall.

The Fourth of July committee
report favorable progress and all the
sub-committees are at work on
their respective duties. It is
thought that W. E. Gwynn will
again be secured as orator of the
day.

Mr. and Mrs. Seigel are planning
their departure soon. Having sold
their Yachats property they will
probably take up their residence in
the Willamette valley until another
suitable location is selected.

A local institute will be held on
the 19th. An interesting program
is being prepared and a number of
teachers from Newport and Toledo
will be in attendance.

Two new instruments were added
to the band last week. Mr. Keady
will hereafter play a soprano Bb
Saxophone and P. J. Cauthorn will
play Solo Bb Cornet.

A good sized crowd attended the
excursion to Tidewater Sunday.
The result of the base ball game
played between Waldport and Tide-
water resulted in a score of 17 to 8
in favor of Waldport. The game
was a good one, neither side scor-
ing until the fifth inning.

treatment was cured by a few boxes of
these tablets. Price 25 cents. Sam-

OF INTEREST TO FARMERS AND MECHANICS.

Farmers and mechanics frequently
meet with slight accidents and injuries
which cause them much annoyance and
loss of time. A cut or bruise may be
cured in about one-third the time usu-
ally required by applying Chamberlain's
Liniment as soon as the injury
is received. This liniment is also val-
uable for sprains, soreness of the mus-
cles and rheumatic pains. There is no
danger of blood poisoning resulting
from an injury when Chamberlain's
Liniment is applied before the parts be-
come inflamed and swollen. For sale
by TOLEDO DRUG CO.
