WOMEN WHO ARE ENVIED.

Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders. They regulate the stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Toledo Drug Co.

Chitwood Chips.

Last week there came near being quite a destructive fire at the Wood & Hart sawmill. They were burning some brush near the mill to make it safer later on, and it was only by persistent and hard fighting the fire was subdued. Mr. Weaver, the man who bought the Jimmie McDonald place, also had a hard battle with fire the same day. The fire caught in the dry fern in the orchard and came near destroying the trees.

The weather is something grand now-a-days. Birds blooming, flowers singing and great swads of strawberries good enough to tempt the appetite of a graven image.

Miss Grace Davis, the Chitwood central telephone girl, returned the latter part of last week. She had been off on a visit east of the Cascades somewhere visiting Elder Pool and family. She left with the understanding that she was to be absent six months, but we could not spare her that long, and are glad to see her back. Aunt Gene did fine during Miss Grace's absence, however, but she had too much to do alone.

W. N. Cook is doing a fine job of slashing for P. A. Miller on the old A. L. Chitwood place.

Dick Warnock was a visitor at "Ace" Dwinell's Sunday.

Mrs. R. R. Wood and family and Mrs. U. G. Hart have gone up to Summit. Wonder what can be the matter? Ask Renu and see if he can tell you. If he wont, you ask the County Clerk. See?

(To late for last week.)

Nearly the whole community went down to Elk City last Sunday to see the baseball games, and all brought back the report of having a fine time.

Grant Hiscox, Charley Wood, John Quincy Adams, Uncle Jimmie McDonald, J. E. Wilson, C. D. Wilson, Charley Olson and I don't know how many more from Chitwood were county seat visitors last Monday. Some went to attend Court, some to watch others attend Court and didn't attend Court at all. Uncle Jimmie McDonald made it a point to give some of his friends a treat on bananas and strawberries.

Now when you come to talk about strawberries, you should just see Claude Wilson's strawberry patch and if your mouth don't water I give it up. We think if the man who wrote that article in the Oregonian some months since about Lincoln county, calling it the "Land of Nod," would take a peep at Claude's berry patch he would wake up to the fact that something is being done over here in that line. We believe this patch to be a record breaker for Oregon or any other place.

T. W. Irwin came over from Rickreall, Polk county, to visit J. E. Wilson a few days ago. He concluded he wanted some Lincoln county illihs so he bought the old S. A. Logan place of 85 acres for a consideration of \$600. Now isn't that dirt cheap? Joe had another man in tow last week and came near selling him a good ranch, but he finally concluded to return to Washington and try to raise the "dough" to but a spanking good farm near here. He says he believes Lincoln county suits him better than anything he has been able to find yet, and he has traveled over a good many states in quest of a home.

Say, did you ever realize that Lincoln county is verily a "Land of Milk and Honey?" These fine days the bees are just pouring in the honey, and the cows bring us a flood of milk.

Say, call in and have some strawberries and cream.

PETITION FOR CREATION OF A DIKING DISTRICT.

In the County Court of the State of Oregon, for the county of Lincoln.

To the Honorable Court:

We the undersigned, your petitioners, allege and show to the Court: That the lands hereinafter described are tide and overflowed lands, subject to overflow by the tides at all seasons of the year, and by freshets and tides during the winter; that in their present condition they are not susceptible of cultivation to any appreciable extent, and can only be used in a limited way for pasture, during the times the tides are not over them; that by the reclamation of said lands, the taxable value thereof will be increased more than the cost of the reclamation, and that it will be for the general good, as well as greatly to the profit and advantage of the owners of said lands that they be reclaimed by diking; that we are the owners of more than one-half of the whole acreage of said lands, and more than one-half of the individual owners thereof; that we represent more than one-half of the area of the lands embraced therein; that it is desired to form a diking district for the purpose of improving by diking or damming the lands contained therein. Therefore, we respectfully petition the Honorable Court to create a diking district, as by Statute made and provided, embracing a portion of the following described lands, to-wit: The ne 1/4 and ne 1/4 of sec. 26, the e 1/2 of sec. 23, and the ne 1/4 and e 1/2 of section 24, all in township 11 south, range 11 west of Willamette Meridian in Lincoln county, State of Oregon.

The dike and right of way therefor to run substantially as follows, to-wit: Beginning at stake marked X-1 at a point in the ne 1/4 of sec. 26 on the north bank of "Boones Slough" (or sometimes known as Mill 4 slough) about 10 rods west of the section line between sections 25 and 26, where the tideland joins the highland, running thence westerly and northwesterly along the north bank of said slough, through the e 1/2 of the ne 1/4 and the ne 1/4 of sec. 26, thence through the ne corner of the ne 1/4 of the sw 1/4 of section 26 to the section line between sections 25 and 23; thence in a northerly and northeasterly direction along the east bank of said slough through the south half and sw 1/4 of ne 1/4 of section 23 to a stake marked X-2, set at point of hill where tideland joins the higher ground; thence in easterly direction to a stake marked X-3 placed at a point in the ne 1/4 of section 23, where tide land joins the hill land; thence in easterly direction around the base of the hill and edge of tideland to a stake marked X-4, set on bank of slough designated in U. S. Govt. surveys as Chateo Slough, but now locally known as Derby's slough, in nw 1/4 of sec. 21; thence in a southerly and easterly direction around the west and south bank of said slough to the mouth of "Pavey's Slough" in the ne 1/4 of the ne 1/4 of section 24; thence in a northwesterly and westerly direction along the north bank of said Pavey's Slough to a stake marked X-5, set on the north bank of said slough in the ne 1/4 of sw 1/4 of section 24; thence in a southerly direction to a stake marked X-6, set at the edge of tideland and foot of the hill; thence in a westerly and southerly direction along edge of tideland and foot of hill through the sw 1/4 of section 24, se 1/4 of section 23, and ne 1/4 of section 26, to place of beginning, the lands above described being in Township 11 S, Range 11 W of Willamette Meridian and in Lincoln county, Oregon, and we, your petitioners, will ever pray.
