Development League.

Regular meeting of the Toledo Development League will be held on Tuesday evening, July 27. Much fair business to come before this meeting. Be there.

The committee who has charge of providing hay for the campers who will attend the fair in September have a hard job on their hands, but are working hard and will have an ample supply for the purpose. The committee will have plenty of hay for every camp and for all the teams that will be here, and it will all be free to the visitors. They have estimated that there will be 20) teams here, and from the interest being manifested in all parts of the county, their estimate has not been placed too high. It has been a long time since there has been a general gathering of the people of this county for a reunion or picnic, and the idea of this fair is to that end. The finest of Lincoln county's fine fruits and vegetables, live stock, poultry, in fact the best of everything produced in the county, will be exhibited. There will be lectures, music, singing. There will be games, races, shows, and other amusements. There will be something to amuse and entertain everybody, and nobody can afford to miss taking in the entire three days—Wednesday, Thursday and Friday, September 8, 9 and 10.
