Every man, woman and child in Lincoln county should take a special pride in the coming county fair and festival, September 8, 9 and 10. It is to your advantage to see that this fair a success. The committees are and have been for months working hard for the successful termination of this fair. Not one member of these committees will be benefitted more than any other person living in the county. They are simply public spirited men and woman and take pride in advertising the resources and products of our county, to ourselves and to the many visitors who will be here from other parts of the state. We must not sit back and depend on these committees to do all the work. Everyone must do all he or she can to boost and assist the fair. Prepare your exhibits—individual and community—talk fair to everyone you meet; keep talking. Do not try to make yourself believe this is going to be a small affair for it is not. It is going to be the biggest three days of pleasure, instruction and entertainment ever held in this county. Every visitor to the fair will be surprised at the variety and quality of Lincoln county's products. None of us know all that our county is producing. Bring any and everything you have made or raised that is of any merit. See what some other person has to show. Don't sit back but butt in and pull for the fair and festival.

League Met.

The regular session of the Toledo Development League was held at the city hall last Tuesday evening. There was a good attendance, many new members being present, and business of much importance transacted.

The League guaranteed hay for the use of the Fair Committee.

A committee of three, consisting of J. F. Stewart, C. E. Hawkins, and C. B. Crosno, was appointed to draft resolutions to be sent to members of Oregon representative in Congress approving the action of the people in Olalla Dyking District in attempting to reclaim the hundreds of acres of overflowed tideland along that stream, and condemning the action of a few persons in attempting to hinder the work already begun.

A committee of five was appointed as a soliciting committee to raise the \$200 pledged by the League for the Fair and Festival. The committeemen are, Frank Newton, A. T. Peterson, A. Rosebrook, H. Lewis and R. N. Warnock.

Secretary Crosno reported that the entire amount of money pledged as Toledo's share of the publicity fund of the Sunset Magazine Company had been paid.

The matter of a ferry and bridge across the bay at this place was freely discussed, and it is evident that the business men and all other citizens of this place intend to have a way provided for the people residing in the southern end of the county to reach the county seat. The matter will be taken up immediately.
