## THE FAIR AND FESTIVAL

Next Wednesday, Thursday and Friday are the Fair Days.

Everything is taking form and all will be in readiness for the big County Fair and Festival next week, the 8th, 9th and 10th. A large crew of men have been very busy fixing the grounds and all other committees are busy. The stock sheds are about completed, a race track is being built, the gates and bridges to the ground are built, the tents are here and will be set up, the water piped to the grounds, and then everything is ready for the exhibits.

The railroad company will forward exhibits at one rate to the Fair and return them free of charge. On perishable exhibits that are not returned the freight will be refunded.
