I, W. E. Ball Assessor of Lincoln County do hereby certify that the above is a true copy and the whole thereof of the Summary as returned by me for the year 1909.

County Fruit Inspector Irvin's appeal to the apple growers of this county should be heeded, and an effort made by our fruit men to comply with his wish. He has offered a cash prize which is worth striving for, and as he says, the prize offered is the least thing, as the real advantage to be gained is by showing and advertising our excellent, wormless apples to the outside world. We can raise as good apples in Lincoln County as any where in the United States. Our apples are fine flavored, good keepers and absolutely wormless. They can be raised here with half the care required in any other locality. Send in your best specimens to Mr. Irvin and help him to advertise one of our best products.

Newport is soon to have a creamery. Ona, and Kernville are to have cheese factories. Waldport has a new creamery. So it goes. Within the space of a very few years Lincoln County will be shipping butter and cheese by the car and boat loads. We have the climate and the soil for one of the greatest dairy countries in the world, so we may reasonably expect big things in the dairy business.

The Newport Signal wants the attractions of an old-fashioned clam bake at the beach again. There is nothing that will attract people more than a clam bake, and it is a thing the citizens of Newport can afford to have at least once a year.

With a half dozen big sawmills running every day in the year on Yaquina bay will make things lively here. We will see these within the next two years or less.

See Dalaba, at Elk City, for your dairy farms.

The School Library Books

The books are here and ready for distribution. The districts are to send some one to get them or they may send the money to me to pay the postage or express. It will take on an average about 40 cents for postage or express. They should be in your schools as soon you can get them, that they may be read this winter. I will say to districts No. 3, 5, 8, 10, 15, 16, 18, 20, 25, 28, 31, 37, 40, 44, 47, 49, 53, 57, 58, 61, 62 and 63 that you may get some of the same as you now have, if you do, it may be that you can exchange with some other district. Your order was not received at all or it came late to go in with the others. It would be well for the school officers to read sections 209 and 210 of the school laws of 1909. They will explain to you why it is that some orders were not sent to the commission. In the future let's all try and have the orders ready by the 15th of July. You will then be sure of the books that you want. They are all good but what is best for one school is not for another. If you make the selection you will be better pleased than if I or the commission makes it for you.

R. P. GOIN,
Supt. of Schools.

MONEY COMES IN BUNCHES

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine. Infalible for Stomach, Liver, Kidneys, Blood and Nerves. 50c. at Toledo Drug Co.

KEEP ON GETTING THE HABIT

AL WAUGH, Proprietor

Ever "shinny up a fence." Watch your boy or girl do it. You may marvel at the rapidity with which they get over the fence but you won't wonder at the way their shoes wear out. You shouldn't stop the childrens fun, but you should get shoes that will stand as much knock and wear as possible.

Security School Shoes For Boys For Girls

These shoes are made of the best leather, especially selected. The boys shoes are made by the welt process—the best known method of fastening soles and uppers together. The girls shoes are made in both welt and turn soles.

They are made on good fitting lasts and will not hurt the feet or injure their shape. Both boys and girls shoes are dressy and attractive looking with wonderful wearing qualities.

Security Watch with Every Pair

Each purchaser of Security School Shoes is entitled to one of these handsome watches for only 50 cents. There isn't a dollar watch on the market as good. It is guaranteed for one year. We couldn't afford to make this offer except as an inducement for you to try Security School Shoes.

Bring the children in and let us fit them out with a pair of Security Shoes—they will prove a revelation to you in shoe value for childrens shoes.
