A Local Institute at Eddyville.

A local institute was held at Eddyville last Saturday, and though it rained, in a good old Oregon way all day, we had a very pleasant time and a profitable meeting. In that neighborhood the people always turn out and this time the teachers proved that they were not afraid of the storm. There were some good papers read, and Prof. Weber explained his outline method of teaching history which was very interesting and is certainly one of the best of methods. The teachers were all free to express their views on the various subjects. It was a round of pleasure from start to finish. I won't try to say what the dinner was, words will not do it, only those who were fortunate enough to be there are the only ones that will ever know. The following are the names of the teachers present: Miss Ada May Bigger teacher in district 35, Miss Margaret Osburn district 38, Prof. A. H. Weber district 2, Mrs. M. A. Goin district 2, Miss Jean Sharman district 2, Miss Ester Copeland district 10, Miss Clara Tassel district 19, Miss Lillse Miller district 7, Mrs. Mamie Robbins district 22, Miss Lottie Ross district 4, Mrs. Ella Baxner district 23, Prof. Ben Horning. Those who were present are looking ahead, with pleasure, to the time that there will be another. There is always something worth our while, to be learned at such gatherings.

Supt of schools.
