FOR THAT DULL FEELING AFTER EATING.

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—DAVID FREEMAN, Kemp, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at Toledo Drug Co's drug store and see what a splendid medicine it is.

Manager O. R. Aitree of the Yaquina Bay Lumber Company informs us that the company has secured a contract for cutting 2,000,000 feet of ties, also a large quantity of bridge timbers. As soon as the logs now in the boom are sawed up the mill will be closed down for a few days while a gurg edger and a trimmer are installed, after which the mill will be operated full capacity. The company expects to keep two logging camps in operation this coming year and the prospects are good for a banner year.

A. C. Smith of the Toledo Light and Power Company, departed Tuesday morning for Portland where he has again accepted his old position with the Northern Pacific Terminal Company. Mrs. Smith will follow in a few days. The people of Toledo regret to see Mr. and Mrs. Smith leave town, but are consoled by their promise to return within a year to make their permanent home. Mr. Smith still retains his interests in the light company.

Notice to Hunters

After January 1 1910, an affidavit for a license to hunt or fish will not be required, but the applicant should send his age, height, weight, complexion, color of hair and color of eyes, at the time he makes application. The law provides that the affidavit should be filed, but a large number of the counties are not complying with this requirement of the law and therefore I have decided that I will not require such affidavit.

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.
