CURED OF A SEVERE ATTACK OF BRONCHITIS BY CHAMBERLAIN'S COUGH REMEDY.

On October 18th, last, my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by Toledo Drug Co.

You will find an assortment of Columbia Indestructible cylinder records, both two and four minutes. The only indestructible records on the market. 35 and 50 cents each at H. L. Veit's store, Eddyville, Oregon.

A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is often two or three months before he is fully recovered. This is an unnecessary loss of time, as by applying Chamberlain's Liniment, as directed, a cure may as a rule be effected in less than one week's time, and in many cases within three days. Sold by Toledo Drug Co.

Notice to Hunters

After January 1 1910, an affidavit for a license to hunt or fish will not be required, but the applicant should send his age, height, weight, complexion, color of hair and color of eyes, at the time he makes application. The law provides that the affidavit should be filed, but a large number of the counties are not complying with this requirement of the law and therefore I have decided that I will not require such affidavit.
