Citizens Meeting at Waldport.

A public meeting of the citizens of Waldport and locality will be held at Waldport on Thursday, February 17th, at 2 o'clock p. m. for the purpose of considering the matter of forming a port for improving the waterways and harbors of Lincoln county. A full attendance of all of the citizens is earnestly requested, as the importance of this matter is very great. Members of other committees from other parts of the county will be present and help discuss the subject.

Come out and let us move for the upbuilding of the commerce of Lincoln county, and let us not be behind every other coast county of the State.

Light Plant Will Move.

Lewis Montgomery, of the Fir and Spruce Lumber Company, this week purchased a one fifth interest in the Toledo Light, Power and Manufacturing Company. The plant will be removed to the sawmill, the engine and boiler used in

day to run mill machinery and at night to run light machinery. The contract with Mr. Montgomery stipulates that the latter must furnish sawdust for fuel for a period of five years.

We understand the plant will be moved within a few days, as soon as the mill company's donkey engine arrives, with it is intended to haul the boiler.

H. M. Friendly, general manager of the Northwest Long Distance Telephone Company, was in Toledo last week and, in company with Manager A. T. Peterson of the Yaquina Bay Mutual Telephone Company and Zeb Davis of Corvallis, went to Newport Friday. The Northwest Long Distance Company has leased the local Mutual lines for a term of years and will remodel all the lines and make an up to date system throughout, and guarantee to give satisfactory telephone service. Lincoln county lines will be run in connection with the long distance lines in the Valley and will be practically under the same management, which fact insures a first class service. A good switchboard, similar to the one in the Toledo central office, will be installed in the Newport office, and all lines will be repaired and put in good working order. A man from Corvallis will be sent down here to oversee this work. With both of Lincoln county's telephone systems in the hands of large companies the patrons are assured of the best service.

As I have only a short time to remain at Eddyville, I will make a great reduction in Dry Goods, Hardware, Boots and Shoes, call while you can pick from a large assortment at prices never heard of before in this part of Lincoln County.

Nothing is so prompt and sure for Ulcers, Boils, Burns, Bruises, Cuts, Corns, Sores, Pimples, Eczema or Piles, 25c. at Toledo Drug Co.
