#### GOOD COUGH MEDICINE FOR CHILDREN.

The season for coughs and colds is now at hand and to much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Storch, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by, Toledo Drug Co.

#### NOTICE OF APPOINTMENT.

Notice is hereby given that the undersigned has been appointed by the County Court of the State of Oregon for Lincoln County, administrator, with the will annexed, of the estate of Hiram Flickinger, deceased.

All persons having claims against said estate are hereby required to present same to the undersigned, at the office of C. E. Hawkins in Toledo, Oregon, with proper vouchers as by law required, within six months from date of this notice.

Dated this 9th day of February, 1910.  
L. E. GWAN, Administrator.

#### HOME CURE FOR ECZEMA.

Does it not seem strange that so many people suffer year in and year out with eczema?

A 25-cent bottle of a simple wash stops the itch and will surely convince any patient.

This wash is composed of mild and soothing oil of wintergreen mixed with thymol and glycerine, etc., and known as D. D. D. Prescription. We do not know how long the D. D. D. Laboratories will continue the 25c offer, as the remedy is regularly sold only in \$1.00 bottles and has never before been put on the market on any special offers.

If you want relief to-night try a bottle at 25c on our personal recommendation. Toledo Drug Co.

#### AN AWFUL ERUPTION

of a volcano excites brief interest, and your interest in skin eruptions will be as short, if you use Bucklen's Arnica Salve, their quickest cure. Even the worst boils, ulcers, or fever sores are soon healed by it. Best for Burns, Cuts, Bruises, Sore Lips, Chapped Hands, Chillsblains and Piles. It gives instant relief. 25c. at Toledo Drug Co.

#### Died

Burns—At the residence of Mr. and Mrs. Job Arnold in this city, Tuesday, March 8, 1910, Mrs. Emoline Burns, wife of Henry Burns, aged 63 years, of heart failure.

Mrs. Burns came to Toledo from her home at Rathdrum, Idaho, five weeks ago for her health, having been a sufferer from heart disease for some time, and thought the change of climate might be beneficial to her but she rapidly grew weaker until the end came.

Mr. Burns was notified of her condition and arrived here last Friday evening and a daughter, Mrs. Mandy Edleblute, arrived the following evening, and were with her during her last hours.

Mr. and Mrs. Burns are old-time residents of Toledo, having come to this place 32 years ago. They raised a family of six children, who are, Mrs. Hattie G. Meeker of Rathdrum, Idaho; Mrs. Bitha Sharpley of Lane, Idaho; Fred Burns of Wardner, Idaho; Mrs. Mary Maxwell of Butte, Mont.; Mrs. Mandy Edleblute, and H. T. (Doc) Burns of Rathdrum. Twelve years ago the family left Toledo and have since made their home in Idaho, 10 years at Harrison, and the past two years at Rathdrum.

Mrs. Burns was always a faithful, loving mother, and a good, loyal neighbor, and leaves to mourn her loss, besides her family, many fast friends in Toledo and wherever she has lived. She was a member of the United Artisan lodge of this place, also a member of the Relief Corps.

Funeral services were held at the M. E. church Wednesday, Rev. Pearce conducting the ceremony. Interment was made in the Toledo cemetery.

Franz—At the residence of his nephew at Berne, Indiana, February 28th, 1910, Jacob Franz. He retired on Saturday night in his usual health and was found dead the next morning.

Jacob Franz was born in Switzerland February 12, 1832, and came to the United States in 1851, at the age of 19 years, settling in Chicago where he became well acquainted with the two great political giants of that day, Lincoln and Douglas. And he frequently spoke of having taken them from place to place during the famous debates of 1858. At the outbreak of the civil war in 1861 he enlisted as a volunteer in company H 47th Regiment of Ohio Volunteers and was color bearer of his Regiment, carrying the flag of his adopted country from Bull Run to Cold Harbor and being wounded once in battle. In 1868 he came to Oregon and was appointed boss farmer under Ben Simpson on the Siletz Indian Reservation, where he served for two years. He was one of the pioneers of the Yaquina Bay country and assisted in building the first wagon road from Corvallis to Pioneer and in many ways contributed to the development of the country. He lived in Lincoln County until about a year ago when he went to Indiana to visit his brother whom he had not seen for more than 50 years. "Jack" as he was familiarly called left a host of friends in Lincoln County who will remember him for his rugged honesty and patriotic devotion to his adopted country. No more loyal or truer patriot enlisted in that mighty struggle for the preservation of the Union than Jacob Franz.

#### Reply to Siletz Homesteader.

It would be in order for the "Homesteader" to show where there was anything unfair, unjust or illegal in enlarging the limits of the Newport school district. Every other district got what they asked

## Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

for, and the half township was no more in proportion for the Newport district than the other districts received. The Big Elk district got four sections added of timber lands and that district has only one pupil in their school while Newport has over two hundred children of school age. So far as benefit is concerned there is people living in every school district in the state that might say that they received no benefit. Schools are not always a benefit to everyone who helps to support them, and in the nature of things this will always be so, but they are a public benefit and the general public must support them. If schools depended upon support from people who have no children, or even if they depended upon only those who have children, we would have no general system of education.

The land owned by "Homesteader" has never before been taxed for school purposes and the County Court very justly decided to treat everyone alike so put all the land in the county into districts already organized or into new districts.

The distance from schoolhouses is always necessarily great in sparsely settled districts. This is provided for in the school law by requiring the district to either transport or board all children living more than two miles from the schoolhouse. Newport has cheerfully done this for every pupil so situated from the very day the new territory was added to the Newport district.

#### Ladies' Aid Social.

The Ladies Aid Society will give a social Saturday evening, March 19, Program and place of holding social will be published next week.

J. F. Morrison of Dallas has been in Toledo several days this week.

Yesterday Captain Sischo launched his boat the Sas-Sa-Cuss. The boat is 19 ft. long and is a very sea worthy model. She is equipped with a three horsepower Ferro engine. The Captain expects to make several trips up and down the coast this Summer.

Word has just been received here of the death of W. H. Harrison at Centralia, Washington, on March 2nd. Mr. Harrison was one of Lincoln county's pioneers, having lived for many years at Newport and Waldport, and a year in Toledo.

The family moved to Centralia about a year ago. More particulars will be given next week.

#### That Official Directory.

Editor LEADER:—Did you read S. G. Jovin's business directory in last week's LEADER? It is full of information to the common people directing them where to apply for the county seat, county high school, also for school or road districts. The people are surely under obligations to the gentlemen for the information, as he has made a life-long study of the subject and surley knows. Yet Sam seems hampered by his modesty and the directory indicates that he is entirely too sensitive for this cold world.

A READER.

Wm. Westfall who has a homestead on Mill Creek came down to Toledo Wednesday, and because of his peculiar actions was soon taken into custody and examined as to his sanity, and was found to be demented. He imagines that he owns two railroads running from Mill Creek to Elk City. These together with a large city which was situated on Mill Creek were stolen from him. He claims to have lost nineteen million dollars since he came to Lincoln county. He also thinks that he murdered some orphans in Germany. When Magistrate McElwain arrested him he got out his knife and tried to use it on the officer. He was taken to the asylum this morning.

In another column Dr. Burgess tells about the celebrated Ferro gasoline engine. The efficiency of these engines is attested to by the managers of the LEADER. This office has been using one of these engines to drive the printing machinery for the past two years, and we don't want a better engine. Talk engine to the Doctor before ordering your new one.

The light company moved their engine to the new location at the Fir and Spruce sawmill, and expect to run the light plant with their own engine, beginning Sunday. They are now giving morning service, which is convenience to the early risers.
