In Dr. Minthorn's article in this paper last issue the type made him say Big Elk when they should have been "Big Creek district got four sections added of timber lands and that district has only one pupil intheir school while Newport has over two hundred children of school age."

Every man in Toledo and the surrounding vicinity should attend the meeting of the Development League next Tuesday evening. Officers for the ensuing year are to be elected, the coming County Fair is to be discussed, and much other business, important business, is to come before the meeting.

Bids for operating a free ferry across the river at this place is being advertised for. The bids will be opened at the next meeting of the Development League. This is an important thing, and one that the people of Toledo must arrange for. Newport's enterprising citizens are going to have a ferry across the lower bay, and Toledo needs one. Let us all pull for the ferry.

The Secretary of the Interior has reported adversely upon Senator Chamberlain's Senate bill which provides that entries of Siletz lands shall not be canceled for insufficient residence and cultivation in cases where it can be shown that entry was for the exclusive use and benefit of entryman and a habitable house was built on the land and actually occupied by the entryman, and a portion of the tract cultiva-
