Strong Healthy Women

If a woman is strong and healthy in a womanly way, motherhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Dr. Pierce's Favorite Prescription

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Favorite Prescription" banishes the indispositions of the period of expectancy and makes baby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have testified to its marvelous merits.

It Makes Weak Women Strong. It Makes Sick Women Well.

Honest druggists do not offer substitutes, and urge them upon you as "just as good." Accept no secret nostrum in place of this non-secret remedy. It contains not a drop of alcohol and not a grain of habit-forming or injurious drugs. Is a pure glyceric extract of healing, native American roots.

WHY SALVES FAIL TO CURE ECZEMA

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating liquid is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years, and known of wonderful cures from its use, we recommend it to our patrons.
