R. N. Warnock moved to his homestead in Euchre Mountain country on March 27. He had a pack train of six horses while moving in his household effects, this being the largest bunch of pack horses ever taken in over the Mountain by one man. Mr. Warnock is some twelve miles from a wagon road.

C. G. North the real estate man, this week sold the Martha Metcalf place, just this side of Siletz to M. Knauff. He also closed the deal for the Murray place at Siletz. Mr. North is bringing lots of newcomers into this county and selling them ranches, and is cutting up a number of the larger tracts into smaller farms and locating people on them. This latter is what will advance the county more than anything, as heretofore the farmers have had more land than they could handle.

Therefore it don't cost us anything only a little time and trouble to get a start of the best milk cows in the state. Of course we will have to keep continually breeding up but we can get the start cheaply if we only take the time and trouble.
