The newspaper was being delivered last Tuesday the Conifer man too close to the sand bar opposite Southern Inlet and had to return to Waldport.

Last Monday evening a big bonfire was built on Broadway and a large crowd turned out to enjoy the festivities. Rustled music fared a great hit.

There is considerable difference of opinion over the Port question. This is proper for in each case those who are all the people held one view of the matter many slaves and also many people who disapprove, as we might say looked. Each voter is certainly entitled to his opinion as there is no excuse being made by either side. It is a man's right to be opinionated and the vote of the district will be cast on May 28th.

Kernville

Young Pierre passed Kernville's way to the company seat. He has been rather new on a young lady across the way. Can you guess the rest?

Well the choice factory and dairy ones seem to be the uppermost enterprises in our Osa community. I'm so glad that we think if we want work pass out as well there as it has at Kernville something will be doing. The wind work factory of Kernville has developed into a real enterprise. The owners of the Green sales tofall at a good price of March 24th. M. F. Kaufman, of Nashville are the highest bid.
