Dr. J. B. Olmsted and George Bissell arrived Friday and at once began the construction of a dwelling house just east of Lint Slough.

Louis Southworth has sold his farm to C. M. & H. V. Bulkley, of Portland. The consideration was \$3,000 and represents Mr. Southworth's net saving since homesteading the place thirty years ago.

The whist club met on the 27th and M. V. Leeper was again winner of the gentlemen's prize, Mrs. O. W. Peterson made the best score among the ladies.

The Condor has been busy the past week and made several trips between our two bays.

M. S. Durbin and family have gone into camp for the summer on the government trail in order to be near Mr. Durbin's work. Miss Lizzie Brooks accompanied them.

The annual banquet of the Commercial Club occurred April 29. The banquet hall was profusely decorated with rhododendrons. The ladies' committee served the refreshments. W. F. Keady acted as toast master and a number of the members responded. Dr. J. B. Olmsted made the address of the evening and congratulated the one hundred members present on the interest they were taking in the club work. C. R. Evens spoke on the Pioneer days of Waldport.

Miss Lizzie Brooks gave a vocal selection and as an encore sang "The Oregon Volunteers". Mrs. W. F. Keady toasted "The Gentlemen". Mr. George Bissell spoke on the first impression of Waldport, having arrived but a few hours before the banquet. Prof. Earl Brown spoke on the County High School and expressed a desire that the people of Waldport would avail themselves of the opportunity of establishing a County High School fund under the new law. Advertising plans were discussed and formulated for the coming year. Every business house in town was represented and the general sentiment was that Waldport was entering upon a year of development and prosperity.

The first excursion of the season went up to the Early place last Sunday carrying a large crowd of people from Waldport, including the band and the baseball club. The day was ideal for a river trip as there was no wind. The Tide-water boys also came to the Early ranch with their ball team and a rather close and exciting game was enjoyed by all present. The score was 23 to 19 in favor of Waldport. As the grounds were very rough and one could not tell which way a ball was going to bounce the game was much better than the score would indicate. The boats arrived at Waldport on the return trip shortly after 6 p. m.

Otis

Messrs. Frauk and Oviatt have gone down to Siletz. Mr. Frank is going to Parmele's to get lumber to build his house and Oviatt is going to show him around a little up the

Siletz river. They will go up to Bill Scott's.

The East Oregonian says that a heavy bounty on the coyotes has greatly reduced the number. When we fully realize that a bounty reduces any pest, we will get after the idle land speculator.

The C. & E. railroad has installed an oil burning engine on the passenger train. This will be a treat to the traveling public as it will do away with the charcoal cinders and make traveling more clean.

The Ports Won

At the special election yesterday all three port districts carried by good majorities. At the time of going to press some of the outlying districts have not been heard from, but the vote in those was light and will not materially change the result. The vote as obtained is as follows:

Toledo Port—Newport precinct, Yes 0, No 5. Toledo precinct, Yes 202, No 22. Elk City precinct, no vote cast. Yaquina precinct, Yes 18, No 7.

Newport Port—Newport precinct, Yes 136, No. 0.

Alsea Port—Waldport precinct, Yes 71, No 4.

The day was fine but as there was practically no opposition to the forming of the port districts many did not vote.

For Sale or Trade

Organ in good condition, will sell for cash or trade for cow. Would be willing to pay a little to boot for good cow. Apply at this office.

The Racine took that many from Newport and Yaquina. A fine time was reported. The election for the ensuing year resulted as follows: Mrs. Jennie Arnold, of Toledo, president; Mrs. Olive Van Orden, of Elk City, vice president; Mrs. Mary Wygant of Newport, secretary; The next convention will be held at Toledo.

Something New In Kitchen Ware

The "1892" Pure Spun Aluminum Ware is rapidly coming into use for cooking purposes. It is taking the place of agate and enamel ware because while its first cost is a trifle more than ordinary ware, it is really much cheaper in the long run, as it is guaranteed for twenty-five years and will last practically a life time.

The genuine "1892" Ware, made only from pure SPUN (not cast) Aluminum, will not crack, scale, peel, break, scorch or burn.

It looks like silver but weighs only about one-quarter as much, is easily cleaned and handled, and will not rust, corrode or tarnish. Absolutely pure, non-poisonous and wholesome; saves money, time and doctor's bills.

Be sure you get the original and genuine ware stamped with the Mallory Cross. At your dealer's.
