Last Fall there was held here a most successful county fair, the exhibits of fruit, vegetables, stock, etc. were as good as could be found in any country. The fair next September should, and we believe will, be far superior to last year's efforts in every particular. If it isn't it will be the fault of the citizens of the county. Now is the time to begin preparing for the coming fair. Every man, woman and child in the County must assist to make it the success it should be. Start in now to work for the fair, produce exhibits, talk fair and don't stop.

James J. Hill, the railroad builder, was in Portland a few days ago. While in that city he told of the many improvements he is going to make in his railroads in this state. He confirmed the report that he owns the Oregon Electric road running through the Willamette valley and also the United Railways holdings in this state. With the Oregon Electric paralleling the S. P. through the Willamette Valley, The Central Oregon railroad through the center of the state and the Coast road from the Columbia river to California, Oregon will forge to the front with greater strides than ever before.

LION FONDLES A CHILD.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Colds, Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George B. Davis, of Flat Rock, N.C. We always give it to him when he takes cold. Its a wonderful medicine for babies." Best for Coughs, Colds, LaGrippe, Asthma, Hemorrhages, Weak Lungs. 5c, \$1.00. Trial bottle free.
