Teachers' Annual County Institute.

The Teachers Annual Institute will be held May 25, 26, and 27th. I wanted to hold it before so late but could not get the assistance of the State Superintendent at an earlier date. When it is so late there are so many of the winter schools closed and the teachers gone to their homes. There are about forty teachers now teaching in the county. Some of them will close their schools before the institute, but there are others who will begin. These with the five or six who are not teaching, ought to give us an attendance of forty five or more. Parents, and all others, are cordially invited to meet with us and share the good things we are to receive, with us. Those who are deeply interested in the school of the county are especially invited.
R. P. Goin

The rains of the first of the week were welcomed by the farmers and stockmen of the Valley. Over here on the coast it was not needed but no damage was done by it.

A touch of rheumatism, or a twinge of neuralgia, what ever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First applicant gives relief. Sold by All Dealers.

Our people are awakening to the importance of a cleaner town. It is time some movement was being taken along this line. We have one of the best little towns in the State, and we can have one of the prettiest towns with a little effort at cleaning and beautifying. Let's get busy.

Casey, The Pitcher, Hurt.

Wednesday morning, while piling lumber at the sawmill at Siletz, Peter Casey, the baseball pitcher, was severely injured by having a pile of lumber fall on him. His leg ankle and foot was badly crushed and bruised, but no bones were broken, and it will probably be several weeks before he will be able to be out again. This accident coming just at the beginning of the ball season is very bad for Mr. Casey and his baseball friends.

BILIOUSNESS AND CONSTIPATION

For years I was troubled with biliousness and constipation, which made my life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieves the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. Mrs. Rosa Porter, Birmingham, Ala. These tablets are for sale by Toledo Drug Co.

Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued.
Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

**IT MAKES WEAK WOMEN STRONG.
SICK WOMEN WELL.**

Honest medicine dealers sell it, and have nothing to urge upon you as "just as good" as any other. It is non-secret, non-alcoholic and has a record of forty years of cures. Ask Your Neighbors. They probably know of some of its many cures. If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
