George Hodges of Salado was in the city yesterday on road matters. Mr. Hodges who is a believer in good roads, is very much interested in the establishing of a road from Big Elk valley to Mill creek valley, on the survey recently established. He says this road would have no grades heavier than six per cent, and would make the distance from Toledo to Salado, by road, about eleven miles. If this road was opened it would bring all the travel to Toledo from the Big Elk valley and Harlan neighborhoods, which now goes to Corvallis. The amount of road to be opened is four miles.

LION FONDLES A CHILD.
In Pittsburgh a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Colds, Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George B. Davis, of Flat Rock, N. C., "We always give it to him when he takes cold. Its a wonderful medicine for babies." Best for Coughs, Colds, La Grippe, Asthma, Hemorrhages, Weak Lungs. 50c. \$1 00. Trial bottle free. CONTEST NOTICE.

U. S. Land Office at Portland, Oregon, May 7th, 1910.
A sufficient contest affidavit having been filed in this office by Carl W. Buchner, contestant, against homestead entry No. 0893, made January 19th, 1909, for the $\frac{1}{2}$ sec. and $\frac{1}{4}$ sec. Section 17, township 10 south range 9 W., by Owen D. C. Perkins, Contestee, in which it is alleged that said Owen D. C. Perkins has never erected a house or cabin on said land either before or after making said homestead entry; that the said entryman has never lived on or made any improvement on said land since the date of said entry to the present time; but has wholly abandoned said land from the date of said entry to the present time and has never cleared or caused to be cleared any part of said land; that said alleged absence from the said land was not due to his employment in the Army Navy or Marine Corps of the United States as a private soldier, officer, seaman or marine, during any war in which the United States might have been engaged; said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m. on June 20th, 1910, before the County clerk of Lincoln County, Oregon, at his office in Toledo, Oregon, and that final hearing will be held at 10 o'clock a. m. on July 7th, 1910, before the Register and Receiver at the United States Land Office in Portland, Oregon.

BILIOUSNESS AND CONSTIPATION
For years I was troubled with biliousness and constipation, which made my life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been to-day had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieves the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally. Mrs. Rosa Porrs, Birmingham, Ala. These tablets are for sale by Toledo Drug Co.

The Tenderfoot Farmer
It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.
It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds him- self regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.
To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is a falling remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.
In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.
Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
