part of October. In other words, do not vote a tax until you get a statement of the valuation of your district from the County Clerk. He can give them out after the first of November. There has been many changes in the past year. The valuation of some districts has been more than doubled, while in a few instances it has been cut down. The following shows some of the changes in the valuation:

Dist.	1908	1909	Difference
3	\$433,901.00	\$616,976.00	\$183,075.00 more
12	230,495.00	142,982.00	88,493.00 less
19	21,376.00	41,378.00	20,002.00 more
22	80,530.00	41,891.00	38,639.00 less
21	11,598.00	46,836.00	35,238.00 more
36	29,638.00	15,920.00	13,718.00 less
48	11,912.00	29,023.00	17,111.00 more
38	61,438.00	40,594.00	20,844.00 less

A change in the boundary makes some of the difference, but in some of these districts the boundaries were not changed.

To those who are wanting to know the valuation of their districts, I will say that it will be impossible to tell before the latter part of October or the first of November.

If the notice of your special levy is in the hands of the County Clerk by the 10th day of December, 1910, that will be in plenty of time.

Should you vote a tax at the annual school meeting you may do as some of the other districts did last year, get more money than you need.
