The base ball game last Sunday was one of those long to be remembered kind, and makes a person want to go again. The Elk City and Toledo boys were full of ginger and into the game all the time. Up to the fourth inning no score was made by either side. But during the fourth Elk City managed to get a man around the sacks and in the fifth they ran in three more. The sixth inning Toledo got busy and run in three giving Elk City another score also. This ended the scoring for Elk City as Toledo handed them three more goose eggs in succession. In the seventh inning Toledo made another score and in the ninth two more, thus making a score of, Elk City 5, Toledo 6. Henry Howell umpired the game. Lineup:
