A Storekeeper Says:

"A lady came into my store lately and said: 'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful, comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was small and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost.'"

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired that you can't eat. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

A Grave Threat.

A woman in widow's weeds was standing at one of the entrances to Wadsworth cemetery, accompanied by her small son, who was weeping bitterly. Coaxing having failed to pacify the lad, the mother indulged in this threat: "If you don't stop crying this minute I'll not take you in to see your father's grave."

PREVENTION THE BEST SAFEGUARD

If for any cause the horse or other domestic animal exhibits a lack of energy, proper relish for food, or an appearance of general debility, timely action should be taken for the restoration of its health. In the natural food of our domestic animals Nature provides certain peculiar medicinal herbs, leaves, barks and roots which seem necessary for their health. Pacific Stock Food in greatly condensed form is intended to supply the essential virtues of those health-giving natural remedies and is prepared expressly for those animals deprived by man of their natural food. It is an alternative tonic which stimulates the various organs of the body, promotes the secretions, tones up the general system and restores the disordered conditions to a normal state. It stimulates the appetite, improves the digestion and assimilation of food, purifies the blood and insures a good, healthy condition. Booklet free.

Chance for a Good Time.

"I can't help but believe that I would have had a better time if I had gone to the masquerade."

Proportionate Insurance.

By falling from a cart a Chinaman who carried a large insurance, says Tit-Bits, was quite seriously injured. There was some doubt even of his ever getting better.

At length one of his friends wrote to the insurance company on his behalf.

"Dear Sirs, Hong Wang Lee half dead, like half money."

In the Haste of Getting Ready.

"George," said Mrs. Ferguson, "have you done anything with my hairpins? I had them a moment ago!"

"They're right under your nose, my dear," answered Mr. Ferguson. "Remove them, and you can talk plainer."

Just Shopping.

O'er the pages of the Peerage a maiden likes to pore. Such an amount Will buy a Count; A Duke costs something more.

She flutters o'er the pages and here and there she'll stop. She can't afford A noble Lord, But can't a damsel shop? —Philadelphia Bulletin.

Utterly Wasted.

"What are you glum about now?"

"I was just reviewing my past life."

"Well?"

"And thinking of all the useless worrying I have done."

Nothing Easier.

Dealer—Certainly, sir. Always run the machine at a rate of speed sufficient to keep ahead of it.

How Is Your Appetite Today?

Is it keen and normal, or do you have that "don't care" sort of feeling? Loss of appetite is one of the surest signs of inward weakness, and if you are wise you will heed the warning promptly and take a few doses of Hostetter's Stomach Bitters. The system requires a certain amount of nourishment every day in order to keep up health and strength and to replace the waste portions. This can only be accomplished with a keen appetite and perfect digestion and assimilation of the food. Then again Hostetter's Stomach Bitters should be taken. It will stimulate the flow of gastric juices, so essential to perfect digestion, and aid in every way possible. For over 56 years it has been used with wonderful success in cases of Poor Appetite, Heartburn, Flatulency, Indigestion, Dyspepsia, Costiveness, Biliousness and Malaria.
