Kept Her Promise.

"Billy, dear," said his young wife, coaxingly, "tell me the password of your lodge."
"But I pledged myself never to disclose that, Bella."
"You're not disclosing it when you give it to me. You know we have no secrets from each other."
"If I tell you what it is, dear, will you promise sacredly never to repeat it to a living soul?"
"Yes, I promise."
"Well, here it is: Chattybiddybeechittybiddybiparapamagoolagarithehowk - aspecklybexlybim."
True to her word, the young wife never repeated it to anybody.

Mrs. Wheedle—John, dear, you are going to get me a lovely pearl necklace for my birthday; a bird whispered it to me.

Treating Cancer with Heat.

Dr. Eugene Doyen explained at the international Congress of Physiotherapy in Paris his treatment of cancer by means of electrically produced heat. The secret of the discovery is that the cancerous cells are destroyed by a temperature of from 50 to 55 degrees centigrade, which is entirely harmless to healthy cells. The method shows wonderful results, he says, in eliminating the need of the knife in all lesions which are accessible to an electrical current, artificially applied. The healing of the tissues follows immediately upon the coagulation of the cancerous cells.

Berenice's Guess.

The children were playing about the yard where the old black gardener was fixing up the flower beds. As he worked he kept up a running conversation with Berenice, the 3-year-old:

"Lemme see, how many of you chilluns is they—Ellen an' Zulla an' Lulu an' Bereness an' Billy. Five uv um! Foah gal chilluns an' a boy chillun! Well, now Ah's got five lil' chilluns at mah house; What you reckon they all is?"

"What do I reckon they all is?" replied Berenice scornfully. "I reckon they're all little niggers, that's what I reckon."—Houston Post.

No Kick There.

The new arrival had just written his name and address in the hotel register.

"From Ypsilanti, eh?" said the clerk; "that's the town, isn't it, where—"
"No, sir," interrupted the other, with a frown; "we're perfectly satisfied with the name of our city. You're thinking of Oshkosh."—Chicago Tribune.

Excellent Connection.

"Is his family well connected?"

Cook in Comfort

You no longer need wear yourself out with the weakening heat of an intensely hot kitchen. You can cook in comfort.

Here is a stove that gives no outside heat. All its heat is concentrated at the burners. An intense blue flame (hotter than either white or red) is thrown upwards but not around. All the heat is utilized in cooking—none in outside heating.

New Perfection

WICK BLUE FLAME

Oil Cook-stove

entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat—no smoke. The burner is simple. One wick with a cloth cleans it—consequently there is no smell.

The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat operates upward to pan, pot, or kettle, but not beyond or around. It is useless for heating a room.

It has a Cabinet Top with shelf for keeping plates and food hot.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

Every dealer everywhere; if not at yours, write for Descriptive Circular to the nearest agency of the

WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs and Elixir of Senna. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Only those who buy the genuine Syrup of Figs and Elixir of Senna can hope to get its beneficial effects, and as a guarantee of the excellence of the remedy, the full name of the company—California Fig Syrup Co.—is printed on the front of every package, and without it any preparation offered as Syrup of Figs and Elixir of Senna is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs and Elixir of Senna is called for, is always resented by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere; one size only. Regular price 50 cents per bottle. Get a bottle today to have in the house when needed.

Guaranteed under all Pure Food Laws.
