burned to the ground. The fire  
originated in the roof, and was  
probably caused by a defective flue.

stand the severe climate of the East.

**Business Conditions.**

The only unfavorable element in  
the situation is the unfavorable atti-  
tude of federal lawmakers and  
state officials towards the railways  
and the spirit which would prevent  
the companies from moderately ad-  
vancing their charges to offset the  
increased cost of operation. When  
the manufacturer is obliged to pay  
higher prices for raw material and  
increased wages he does the only  
possible thing in the circumstances  
and correspondingly raises the  
charge for his product. The rail-  
ways are obliged to pay increased  
prices for supplies and higher wages,  
and it is only reasonable that they  
should get more for what they sell,  
namely, transportation.

That they are impelled to raise  
their charges is plain from current  
traffic returns showing increased  
gross takings, while costs of op-  
eration have increased in still greater  
ratio, with resulting decrease in net  
earnings. Unless the greatest of all  
industries is permitted to prosper  
the county cannot prosper.—New  
York Herald.

**Afraid of Ghosts**

Many people are afraid of ghosts. Few people  
are afraid of germs. Yet the ghost is a fancy and  
the germ is a fact. If the germ could be magnified  
to a size equal to its terrors it would appear more  
terrible than any fire-breathing dragon. Germs  
can't be avoided. They are in the air we breathe,  
the water we drink.

The germ can only prosper when the condition  
of the system gives it free scope to establish it-  
self and develop. When there is a deficiency of  
vital force, languor, restlessness, a hollow cheek,  
a hollow eye, when the appetite is poor and the  
sleep is broken, it is time to guard against the germ. You can  
fortify the body against all germs by the use of Dr. Pierce's Golden  
Medical Discovery. It increases the vital power, cleanses the  
system of clogging impurities, enriches the blood, puts the stom-  
ach and organs of digestion and nutrition in working condition, so  
that the germ finds no weak or tainted spot in which to breed.  
"Golden Medical Discovery" contains no alcohol, whisky or  
habit-forming drugs. All its ingredients printed on its outside  
wrapper. It is not a secret nostrum but a medicine of known  
composition and with a record of 40 years of cures. Accept no  
substitute—there is nothing "just as good." Ask your neighbors.
