C. L. Morrison of Elk City announces his candidacy for the Democratic nomination for Sheriff of this county. Ches Morrison is too well known in this county to need an introduction to our readers. He is one of the old pioneers of the county and is, always has been, and always will be, a Democrat—and a good one, too. If elected as Sheriff would make a good official.

In this issue of the LEADER appears the announcements of Oscar Middlekauff of Yaquina, who is a candidate for the nomination of County Judge on the Republican ticket, and H. S. Pruner of Nashville, who seeks the nomination for Sheriff. Mr. Middlekauff has been a resident of Lincoln county for the past five years, making his residence at Yaquina. Since taking up his abode there he has conducted a general store also acting as postmaster and since disposing of his business at Yaquina, has conducted a law office here at Toledo, but is still making his home at Yaquina. He is a graduate of the Northwestern University of Chicago, Illinois, and practiced law for nine years at Sioux City, Iowa. Should Mr. Middlekauff be nominated and elected he would undoubtedly fill the office with credit to the county and himself. Mr. Pruner is a resident of Nashville where he has successfully conducted a mercantile business for the past several years, and is a well known man. He is a competent and careful business man and would make the county a good official.

FOR COUNTY JUDGE.

Toledo, Or., June 28, 1910.

I hereby announce myself as a candidate for the office of County Judge of Lincoln county, Oregon, subject to the action of the Republican voters at the Primary Election.

It is the practice of stating the platform upon which you stand as a candidate, and in compliance with this custom, I will state that I believe in Republican principals, an honest administration of county affairs; good roads and schools to the extent of our ability as may be indicated by the several school and road districts of our county, are the principals I advocate.

CHAS. H. GARDNER.

FOR COUNTY CLERK.

To the Republican Voters of Lincoln County:

I hereby announce myself a candidate for the nomination for the office of County Clerk, subject to the decision of the Republican voters at the primary election to be held September 24, 1910.

R. H. HOWELL.

FOR COUNTY JUDGE.

Siletz, Oregon, July 12, 1910.

To the Voters of Lincoln County:

I wish to announce that I am a candidate for the nomination for the office of County Judge, on the Republican ticket.

Should the Republican voters see fit to nominate me, and should I be elected, I promise the people of Lincoln County that I will play no favorites, but that I will treat every part of the county, so far as the expenditure of public money is concerned, and every person and question that comes before me, with absolute fairness and impartiality. I will personally inspect every road and bridge in the county and give all the help I can in their improvement. I will permit no graft and will insist on a dollar's worth for every dollar expended. I will seek for law that will help and not hinder the development of all parts of the County.

I was a teacher for many years and am familiar with school laws and school procedure and will do all I can to help the various school officers to make the schools of Lincoln county among the best in the state.

Should I be elected I promise to serve out my full term, unless sickness or unavoidable necessity compels me to resign, and in that event I promise to make my resignation known through the public press, that the people of the County may have a chance to petition for my successor.

Yours for Good Roads, Good Bridges, Good Schools and Good Old Lincoln County,
W. C. FISCHER.

Should I then be endorsed, and afterward be elected by the voters of Lincoln County, it will be my aim to study diligently and apply honestly, existing laws in all matters affecting the welfare of the people in taxation, road building and school interests; to levy taxes on all property subject to taxation including the large timber interests of the county, by a cruise, if accurate results cannot be affected in a more economical manner; to adopt modern and liberal policies of road construction, across the county, build roads by contract, instead of by day's labor, whenever made possible by the law, and to share in the general movement throughout the state for better roads and better schools.
