The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

You awake with a mean, nasty taste in the mouth, which reminds you that your stomach is in a bad condition. It should also remind you that there is nothing so good for a disordered stomach as Chamberlain's Stomach and Liver Tablets.

They build up the system, assist nature to restore natural conditions, and are so gentle in their action that one hardly realizes a medicine was taken. Chamberlain's Tablets are sold everywhere. Price 25c.

Married

At the home of the bride's sister in this city, Saturday evening, October 1, 1910, Miss Sophia Logan and Mr. Zenas C. Copeland, Justice M. N. Anderson performing the ceremony.

The contracting parties are native son and daughter of Lincoln county, having been born and raised here. Mr. Copeland was brought up on his father's farm on Depot slough. About ten years ago he went to the Hawaiian Islands where he remained until about a year ago, when he returned to Toledo. He is now a member of the Corvallis & Eastern railroad bridge crew. The bride is the youngest daughter of S. A. Logan an old time resident of this county but now residing in Eastern Oregon. She has spent most of her life in this city, making her home with her sister, Mrs. Alice Waugh.

Mr. and Mrs. Copeland departed yesterday morning for Albany.

The LEADER joins the many friends of this couple in wishing them happiness through life.

"Custer's Last Charge" is a most realistic scene. See it tonight at the moving picture show. There are also some funny pictures on the bill.

I. A. Mays and family departed yesterday for Portland, going via wagon route. Mr. May and family have been living on the old Rader place this summer.

N. C. Nelson has rented his place up Depot slough to L. G. Wesley of Linn county. Mr. Wesley's household goods arrived Wednesday evening and he is moving them out yesterday and today. This farm was formerly the Beck place.

See the new ad of the Toledo Box and Manufacturing company in this issue. This factory is prepared to furnish boxes of all kinds and in any amounts. They also do woodturning, etc. Place your orders now.

Mrs. T. B. James and little daughter returned last evening from a several weeks' visit at Portland.

Mrs. Matilda Espy returned Saturday evening from a visit at Portland

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.
