Toledo, Oregon, October 25, 1910.
Lincoln Co., Farmers Assosation
Gentlemen:

Your letter in last issue of the LEADER, asking my views relative to certain policial questions and as to progressive legislation duly received. In reply thereto will say that I am heartly in favor of the direct primary law and will support the same at all times. And I will oppose any effort to repeal or amend said law or any other law now enacted or to be enacted by the people of Oregon as I believe the people themselves should be the one to repeal or amend any law enacted by them.

I will be guided by the people in case of my election and will do all in my power to advance their interest and will oppose special interests and special privileges.

Very truly yours,
F. W. CHAMBRES.

Dallas, Oregon, Oct. 22, 1910.
To The Lincoln County Farmer's Association, Lincoln County, Ore.
Gentlemen;-

In reply to your open letter in the Polk County Itemizer of Oct. 20, I wish to make the following reply: That I am heartily in favor of the Initiative and Referendum, The Recall, and Statement Number One.

That if elected I will do all in my power to maintain and to uphold such laws as I believe they conform to the proper ideas of a government of the people, by the people, and for the people and should be properly inforced.

I will oppose all graft and machine rule and I believe in the majority rule.

Signed,
G. W. MYER,
Candidate for Joint Representative Polk and Lincoln Co.

Judge John S. Coke.

The following letter from District Attorney George M. Brown is self-explanatory:

Roseburg, Ore., Oct. 20, 1910.
Hon. A. F. Stearns, Oakland, Ore.:

My Dear Judge:—Referring to your inquiry concerning the laws creating three judgeships in the Second Judical District and touching the ability and integrity of Hon. John S. Coke, I have this to say:

The Second Judical District is the largest Judicial District in the state and comprises the counties of Benton, Lincoln, Lane, Douglas, Coos and Curry. The law provides for three Circuit Judges for this District.

The law further provides that the labors of these three judges may be divided as they may agree between themselves.

The law also provides that "One of said Judges shall reside south of the Umpqua River and west of the Coast range of mountains during his term of office"; this provision is equivalent to saying that during his term of office one of the Judges shall reside in Coos or Curry County, because these are the only two counties south of the Umpqua river and west of the Coast range of mountains.

While the law does not expressly state that one of the candidates shall be elected from Coos or Curry County, yet it is fair to assume that the spirit of the law contemplates that one of the Judges elected shall, at the time of his election, be a resident of Coos or Curry County.

It is fair to the people of Coos and Curry County to elect one of their resident as Judge.

When the Legislature enacted the law creating the third judgeship of the Second Judical District, the Governor of Oregon selected a resident of Coos county for the appointment. He appointed Hon. John S. Coke, who has been a resident of Coos county for more than thirty years; a lawyer who had practised his profession within the bounds of Coos county for nearly twenty years. After Judge Coke has been tried out as Circuit Judge, following his appointment in February, 1909, the people of Coos and Curry counties, by an overwhelming vote in the primary election, expressed a wish that Judge John S. Coke be elected as the Judge to reside in Coos or Curry county. The wishes of the people of the Coast counties should be respected. Personally, I have known Judge Coke for seventeen years, and know him to be a man of integrity, ability, learning and he will make one of the best Judges that ever presided in a Court of Justice within the State of Oregon.

The people who know him best admire him the most. You have a right to vote for two judges at the coming November election and one of your votes should be cast for Coke.

Yours very truly,
GEO. M. BROWN.

Announcement.

At the earnest solicitation of many of the best voters of all parties in Lincoln County, I have accepted the nomination for the office of County Judge and will be a candidate at the comming election in November.

If elected to this important office I will earnestly endeavor to conduct the affairs of the county honestly and economically, and with a view to the development and welfare of the county. I will be guided by the law in my administration of affairs, and will interpret them to the best interests of the county. I will have no pets or favorites; a dollar's worth of value for a dollar's taxes will be my effort. Every man or set of men appearing before me in my official capacity, either in person or by petition, will receive fair and courteous treatment, and I will be a county judge for the whole county.

Soliciting the support of the voters upon that basis, I am

Very Truly,
J. F. STEWART.

ALL MY PIMPLES GONE

Girl Tells How a Blotchy Skin Was Cleansed by a Simple Wash.

"I was ashamed of my face," writes Miss Minnie Pickard of Atamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.

D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25 cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.
