PAUL BEACH.

Horse Springs in California.

The grandstand of hot springs and all-day climate is on the world.

Natural hot sulphur and mud baths. Tonic baths, soothing baths, mud baths. Ruins of the ancient city, the mounds, the ruins are in sight.

Twin falls, Idaho. The name of the city is derived from the Twin Falls, a beautiful waterfall on the Snake River.

We have just published the following letter to our constituents:

DEAR SIR,

I have the pleasure to inform you that the Hotel...
