Commonly cause pimples, boils, hives, eczema or salt rheum, or some other form of eruption; but sometimes they exist in the system, indicated by feelings of weakness, languor, loss of appetite, or general debility, without causing any breaking out.

They are expelled and the whole system is renovated, strengthened and toned by

CATTLE GUARD IS EFFECTIVE

Novel Device Prevents Cow From Wandering on Rails and Meeting Injury.

Chicago.—The old story about some one asking George Stephenson, the inventor of the locomotive, what would happen to a train if a cow wandered on the line, to which the latter replied he would "be very sorry for the cow," seems to have found a sympathetic echo in the western states in the form of a novel cattle guard on railways, the practical utility of which is demonstrated in the illustration. The device claims to effectually prevent cattle straying up the railway line and thus meeting with injury or death from oncoming trains. As the cow walks along the track she meets

a tilting platform between the rails which tips up as she steps upon it. The cow, imagining her progress to be barred and not endowed by nature with a superabundance of intelligence—a fact which the wily inventor must have borne in mind—instead of walking round the obstruction proceeds to compliment the exceeding ingenuity and foresight of its originator by walking off the line altogether.

The Idiot Again.
The turkey was not a very large one and Mrs. Pedagog's boarders began to be a little anxious on the subject of its going around. Finally the fat bit was distributed and the idiot, glancing at his portion, observed that he had drawn the neck and the pope's nose.

"Ah, Mrs. Pedagog," said he, with a genial smile, "you are a wonder at making both ends meet!"—Lippincott.

Algebra to Be Made into Poetry.
It is reported that a French teacher has invented a system for teaching algebra in poetry. About fifty-five years ago there was an educational system in vogue by which a considerable share of the academic curriculum was set to music and sung by the teachers and classes. Even the multiplication table was one of the songs, with the five columns as a chorus, sung to the tune of "Yankee Doodle."—American Educational Review.

Too Often the Truth.
One of Abe Martin's sayings: "Uncle Henry Moon, aged ninety, dropped dead today after splittin' six cords of wood. His body wuz found by his four sons who were returning from a billiard tournament."

THE TRUTH ABOUT BLUING.

Talk No. 2.
Avoid liquid bluing. Don't buy water for bluing. All the water contained is so much adulteration. Glass bottles make an expensive package; add nothing to value to consumer.

Always ask for RED CROSS BALL BLUE, the blue that's all blue. Makes the laundress smile out loud. Large package 5 cents AT ALL GOOD GROCERS.

Why Australia Has Thrived.
We believe it to be the case that the conditions of Australia, where reward is more proportionate to ability and effort, and less dependent than in an old country upon birth and favor, lead to the development among natives of the commonwealth, on the average, of greater activity of mind and body than is found among the natives of the United Kingdom.—British Australasian.

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. The favorite family laxative.

Interpreting Our Laws.
Ellen, whose family in the old country had known her by the more prosaic name of Ellen, lost no opportunity of promulgating all the freedoms of the new country that came her way. Sometimes they took an inverted form of handing out orders to her mistress. "Yez'll be careful, mum, that yez puts no paper in th' garbage bucket. Thim is orders, mum, frum th' garbage gin-lem-in."

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves.
