Members of the committee who have charge of getting stock subscribed to the fair association, are getting busy and will soon have all the stock subscribed. Everyone who possibly can should take some stock and thus help along the work of organizing. Indications point to the fact that the other committees are busy getting things in shape for the coming fair in September. The Eddyville Grange has appointed committees to assist in every way possible for the fair. Other granges and organizations should do the same.

Delegates from Toledo Newport, Falls City and Siletz will meet at the latter place next Tuesday evening for the purpose of discussing the proposed macadamized road from Falls City in Polk county through this county to Newport.

BOOSTS FOR THE FAIR.

The Newport Commercial Club boosts for the Lincoln County fair. At their last meeting they passed the following resolution unanimously, there not being a single negative vote:

"Resolved, That the Newport Commercial Club notify the directors of the Lincoln County Fair that this Club stands ready to assist that body in making the Fair of 1911 the best ever, and request them to advise us in what way we can assist them best."

This shows that their heart is in the right place, and if the people of Lincoln county generally would catch the Newport spirit not only would the Fair be the best ever, but it would be a pleasure to watch Lincoln County grow.

C. B. CROSON,
Sec'y Lincoln County Fair Assn.

Owing to the shortage of water, patrons of the Toledo water system will not be allowed to use water for sprinkling their lawns or for irrigating purposes. By order of the Common Council. F. N. HAYDEN, Recorder.

BASE BALL AT ELK CITY.

Next Sunday Elk City and Wells Station play ball on the Elk City diamond. This should be a good game, as these are both fast teams.

TOLEDO CHEESE.

Mr. McJunkin and son will place a limited supply of the Toledo brand of Cheese on the market July 1st. Leave orders at your grocery.

TEACHERS PRESENT.

The following are the teachers taking the examination before County Superintendent Goin at the courthouse this week:

FOLEY'S KIDNEY REMEDY

Is particularly recommended for chronic cases of kidney and bladder trouble. It tends to regulate and control the kidney and bladder action and is healing, strengthening and bracing.

F. S. Rexford, 615 New York Bldg., Kansas City, Mo., says: "I had a severe attack of a cold which settled in my back and kidneys and I was in great pain from my trouble. A friend recommended Foley Kidney Pills and I used two bottles of them and they have done me a world of good."
