Great benefits to the Pacific
Northwest will follow the opening
of the Panama Canal, according to
Bernard N. Baker, retired steam-
ship owner, who is visiting in Port-
land. Reductions of one-third
and one-half in freight rates are
predicted on shipments to and
from the Atlantic Coast cities.

October 1st has been set finally
as the day for the opening of the
new Southern Pacific line to Tilla-
mook and adjoining sections of the
coast county. A portion of the
new road is already in operation
but on that date trains will be run
from one end of the line to the
other, and regular service will be
established.

Selecting The Patterns

for your Wall Paper is often a per-
plexing problem, but we make it
easy for you by eliminating all the
common patterns and offering you
only the best and newest in artistic
designs. We handle the better
grades of paper only and we charge
reasonably for them. You will
get more wall paper satisfaction
here than anywhere else in town.
A call of inspection will prove this.
