DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Republican candidate for nomination as Joint Representative.

FOR REPRESENTATIVE.
To the Republican Voters of Lincoln and Polk Counties:
I desire to announce my candidacy for the Republican nomination as Representative for the 12th Representative district, comprising the counties of Lincoln and Polk. If nominated and elected, I will work faithfully and industriously for the district for which I am elected to represent and for each and every part thereof. I will be governed in my actions at all times by the voice of the voters of this district. I believe in the Direct Primary and in the reasonable use, but no abuse, of the Initiative and Referendum. I shall favor legislation tending to reduce the taxes, provided the legislation offered will not injure the welfare of the State. I shall oppose the creation of expensive commissions, and shall do my utmost to give the District an aggressive representation.

I am a native Oregonian; born in Butteville, Marion county, February 24, 1886. After graduating from the Bishop Scott Academy in Portland in 1904, I attended school at the University of Michigan at Ann Arbor, graduating from the law department of that institution in 1908. In the Fall of 1908, I opened law offices in Dallas, and have since resided here. I acted as city attorney for Falls City for two years, and have been city attorney of Dallas for three years; am secretary of the Dallas Commercial Club, and as such, have familiarized myself with the needs of this district; I am attorney for the State Land Board in Polk county; and am a Captain of Infantry in the Oregon National Guard. I was actively identified with the fight the original Siletz citizens waged to secure their claims through Congress, aiding them in any way that I could.

If it be your will that I represent the Republican party of this district as its nominee for the office which I seek at the general election in November, and I am there successful, I promise you that I shall attend to the duties of the office as carefully and conscientiously as I would were they my own personal affairs.

You get here the most refined locking stationery that you can buy in the stores and yet our prices are most reasonable. Come look over the variety.

ALTREE'S MILL DAMAGED.

A dastardly trick was played which caused several hundred dollars' worth of damages and might have caused the lives of the men working in Altree's sawmill at this place, by the spiking of several logs being sawed at the mill. Last Saturday two spikes were run into in one log, completely ruining two saws, valued at \$115 each. That some one working in the mill was not killed is a wonder. That spikes were put into the logs with the intention of doing bodily and financial injury there is no question. They are pieces of drift bolts, each cut about six inches long. A hole is bored into the log and these pieces of bolts driven in and then covered with mud. On examination a half dozen other bolts were found in logs. Mr. Altree knows the guilty party and is collecting more evidence before the attempt will be made to bring the culprit to justice. In the meantime every humane, law-abiding citizen in the community will assist in bringing the coward to light.
