THE FAIR.

Thursday evening the 23d inst. a meeting of the General Committee of the Lincoln County Fair Association was held in the City Hall in Toledo.

At the meeting of the Association in May C. S. Davis was elected president, W. F. Wakefield 1st vice president, Dr. W. M. Berry, 2d vice president, and C. O. Hawkins treasurer.

The new committee immediately elected C. B. Crosno secretary, justly considering the fact that Mr. Crosno, from his long experience and tireless energy, was best fitted for this office. President Davis appointed the following Committees:

Executive—
C. S. Davis, C. E. Hawkins, B. F. Grant, A. L. McDonald, Ed Avery.

Sports—
Bert Geer, Earl Leggett, L. C. Smith.

Amusements and Concessions—
C. S. Davis, Dr. W. M. Berry, Ed J. Avery.

Education—
R. P. Goin, George Bethers, W. F. Wakefield.

Music—
W. F. Keady, A. Rosebrook, R. DePoe.

Printing and Program—
Ed J. Avery, C. B. Crosno, R. E. Collins.

Finance—
C. E. Hawkins, R. P. Goin, Dr. Berry, H. F. Nulton, Geo. B. McCluskey.

A very enthusiastic meeting was held; a general discussion as to finances was entered into and it was the unanimous decision to have the entire General Committee confer with the County Court and ask aid financially for the coming Fair. Inasmuch as the Committees all give their time to the association without remuneration and as a county fair is one of the greatest, most powerful and far reaching of advertisements, the Committee felt that it would meet with the general approval of all taxpayers in the county if the County Court would make a liberal appropriation for the Fair.

It is distinctly understood that all cash premiums or awards will be paid. This Committee will not advise any such until the entire amount of such premiums are in the hands of the treasurer.

It is the purpose of this Committee to furnish the county papers with a financial statement immediately after close of the Fair, detailing receipts and disbursements. This is to be a business administration, run for the benefit of the entire county and no favors will be played.

We must forget the past, pull for the present and future, remember that we have one of the best counties on the Pacific coast as far as natural resources are concerned and that instead of a population of 7000 people we should have 70000. Our timber and dairying possibilities alone being ample to take care of such a population. What we need is push. Everyone of us must fall in line and boost our county to the position it should occupy.

Every little thing that you do, every little bit you add to the exhibit, every little word of encouragement you speak to someone else helps the Fair and helps you. None of us can stand alone, we must have help and must help each other. Forget your hammer, break its handle; instead hold out the right hand of good fellowship; smile, look pleased, act pleased and feel pleased. Boost: r.

The rain last Sunday was too much for that big ball game between Toledo and Siletz as was advertised. But the game will be played next Sunday at 2 o'clock.

DIED.

The many friends of Mrs. Vivian Cartwright were shocked to learn of her sudden death at Newport last Saturday. Mrs. Cartwright was in Toledo during the week visiting her many friends, and went to Newport Friday evening. She had been in poor health for many weeks and had come over from her home at Harrisburg thinking the change would be beneficial, but complications set in which caused her sudden death.

Her brother and sisters from this place and her mother from Salem rushed to the bedside. The body was taken to Harrisburg Monday morning for burial.

Mrs. Cartwright was formerly Miss Rena Bradeson, and had lived near this city since early girlhood until about three years ago when she was married to Vivian Cartwright at Newport, and later they have made their home at Harrisburg.

She leaves a husband and two little daughters, father, mother, four brothers and three sisters.

This entire community deeply sympathize with the bereaved ones in their loss.
