Messrs D. S. O'Callaghan and B. O. Snuffer, representing the World Keefers' Company of Hillsboro, are in this city this week demonstrating the products from their Keefers' plants.

Their company is contemplating erecting a plant in this city and from our investigations we believe it a good thing and it should be investigated by every citizen of the community.

This company is putting up plants in several localities of the state. They are operating at Salem, which has been running for years, one at Hillsboro, been running three weeks, one at Willamina and one at Sutherlin and building one at Ashland. These plants preserve fruits, vegetables, meats, etc. The process is taking the water out of the fruits, vegetables, etc., and preserving the fresh flavors, which will keep for years. The products which these gentlemen are showing have been preserved for four years, and after being brought back to their natural state by soaking in water, have the same flavor as fresh products just picked from the tree or vine.

The company finds a ready market for its products. Lincoln county is one of the best berry and vegetable counties in the world and should have a market for all that could be raised would become one of the richest communities on earth. We hope our fruitmen and farmers will investigate this enterprise and if they find it a good proposition to do all they can to encourage the erection of a plant here. Call on these gentlemen at Crono's office and learn what they have.

MAN COUGHS AND BREAKS RIBS.

After a fruitless coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonfuls ends a late cough, while persistent use routes obstinate coughs, expels stubborn colds or heats weak, sore lungs. "I feel sure it is God-send to humanity," writes Mrs. Edna Morton, Columbia, Mo. "For I believe I would have consumed today if I had not used this great remedy." Its guaranteed to satisfy, and you can get a free trial bottle or 50-cent or \$1.00 size at Toledo Drug Co.
