WHAT PRESIDENT TAFT HAS DONE

Some of the Legislation Accomplished During His Administration.

There has been a systematic attempt for years on the part of newspaper and magazine writers in the pay of the great magazine trust to belittle and misrepresent President Taft. The result has been that the people have an impression that this has been a "do nothing" administration. The truth of the matter is that more constructive progressive legislation has been accomplished under President Taft than was ever accomplished in any administration before.

For the benefit of our readers and in justice to the president, this paper sets out below some of the many things he has accomplished:

He put the postoffice department on a paying basis for the first time within the memory of the present generation. He has enforced the Sherman anti-trust law without fear or favor. He vetoed the Democratic wool, cotton and free list bills as unscientific and destructive to the Republican principle of protection. He checked the discriminating passport treaty with Russia. He prevented the increase of the tariff rate increases into effect without approval of the Interstate Commerce Commission. He has finished the Panama Canal to early completion without hint of accident.

He has practically destroyed white slave traffic. He has signed the bill for admission of Arizona and New Mexico to statehood.

He has established the Bureau of Mines to safeguard the lives of our people. He has extended our foreign market for the benefit of American capital and labor.

He has abolished the shameful system of penance in this country. He has submitted the income tax amendment to the Constitution to the state legislatures for ratification.

He has effected advanced border inspection laws passed by Congress. He has established means for complete irrigation projects in the West.

He has maintained peace in Cuba and South and Central America by friendly warning, without intervention.

He has modernized and reformed government business methods by an economy and efficiency commission, saving millions of dollars to the American people annually.

He has effected arbitration treaties with Great Britain and France. He has instituted non-political methods for taking the 13th census.

He has effectively destroyed bucket shops and get-rich-quick concerns. He has effected labor laws for a parcel post.

He has effected a new treaty with Japan, ending racial controversies on the Pacific Coast. He has further extended a safety appliance act for the benefit of workmen.

He has successfully fought for the publication of campaign funds and expenditures.

He has heartily endorsed the labor commission's report and proposed bill concerning employers' liability.

He has reorganized the customs service, eliminated corruption and exposed and punished customs frauds, thereby saving and recovering millions of dollars to the United States Treasury.

He has established the Court of Commerce to review findings of the Interstate Commerce Commission and to remedy exasperating delays in litigation.

He has established a nonpartisan tariff board to report on the difference in the cost of production at home and abroad.

He has secured a corporation tax law yielding over \$100,000,000 annually to the United States government.

He has transformed a deficit of \$5,000,000 of the previous administration into a \$30,000,000 surplus.

He has made a new American record for nonpartisan judicial appointments.

He has brought the railroads under further control of the federal government through extension of the powers of the Interstate Commerce Commission.

He has brought the workman's compensation act to a successful issue in the Supreme Court.

He has secured a successful stock and bonds commission.

He has extended the civil service rules in all departments of the federal government by the drafting of millions out of old slots and putting it to work.

He favored Borah's 3-year home-
stead bill.
He has exhibited the highest order of statesmanship in handling the delicate and provoking Mexican situation, keeping the United States out of an expensive and bloody war, while at the same time maintaining the dignity of our nation.

AL WAUGH, Prop.

WHY

CONGRESSMAN W. C. HAWLEY Should be Re-elected to Congress Because in point of ability, experience and qualifications no opposing candidate can favorably compare with him. Because of large abilities and efficiency is added his known honesty, manhood and a character without blemish. Because born in Oregon he knows her needs and has already secured millions of dollars for public improvement in the First District. Because he travels thousands of miles over his district annually conferring with his constituents and learning their needs. Because it has been proven that he is industrious, able, efficient and successful in serving all the people and not a favored few. Because he has been a faithful public servant, working up to a position of influence in national affairs so that Presidents Taft and Roosevelt, his associates of all parties and constituents generally, praise him in terms similar to those used by Governor West, after a visit to the National Capital, when he said in an interview: "In intellect, oratorical ability and devotion to the interests of the people, Hawley stands head and shoulders above the great majority of the members of the National House of Representatives." Vote for Millage Bill Number 320 X Yes

It provides six-tenths of a mill tax for support of Agricultural College and University of Oregon, giving them permanent support and taking them out of politics. It also provides one Board of Regents, thus solving the problems of co-operation, consolidation, division of courses and economy of management.

It does not increase the average rate of taxation.

It repeals the \$500,000 University appropriation bill.

The Bill is endorsed by Governor West. "This Bill is in the interest of good business and should pass."

By L. R. Alderman, State Superintendent Public Instruction: "Experience in other states shows millage bill principle to be correct."

By Will E. Daly, President, Oregon State Federation of Labor: "Who argues against it successfully combat the benefit to the state that will follow the adoption of the millage tax plan."

Endorsed by Portland Tax Payers League.

Bill prepared by committee of Governor's Commission, Boards of Regents, and administrative officers of the two institutions.

A LOG ON THE TRACK
of the fast express means serious trouble ahead if not removed, so does loss of appetite. It means lack of vitality, loss of strength and nerve weakness. If appetite fails, take Electric Bitters quickly to overcome the cause by toning up the stomach and curing the indigestion. Michael Heschmer of Lincoln, Neb., had been sick over three years, but six bottles of Electric Bitters put him right on his feet again. They have helped thousands. They give pure blood, strong nerves, good digestion. Only 50 cents at Toledo Drug Co.

SAVES LEG OF BOY.
"It seemed that my 14-year old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors' treatment failed till I tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25c. at Toledo Drug Co.
