

## Teachers and Grangers to Meet

There will be a meeting of the Teachers and the Grangers at Ona, in the Grange Hall, Saturday, October 18th. The meeting is for YOU as well as for the teachers and Grangers, so come and help make the other fellow think he is doing the grandest work that can be done, for it is by helping him or them that we get the strength to do our own work better.

This meeting is for all, there is a place for you, even if you are not a teacher, and you don't have to be a granger to fill it. At the meeting we are going to talk about schools for I want the people to know what we are doing in the schools, and we will talk about farm or ranch work, for I want the teachers and the pupils to know something about raising and caring for stock and poultry, cooking, sewing, and wood work will have their time and place on the program. Come out and help us for it is by working together that the greatest good can be accomplished.
