Teachers to Meet at Newport

Saturday, November 8th, there will be a gathering of the teachers at Newport. On that day the Newport school will have on exhibit some of the work done by the school children. Sewing, cooking, manual training work, as well as that of the school room, will be exhibited.

The day will be given to viewing the exhibits and listening to the talks given by the teachers and others who have something to say that will aid us in the school work.

Besides the local teachers we will have Prof. L. P. Harrington, of the state department. Mr. Harrington is working under the directions of our state Superintendent, and travels from county to county to encourage the boys and girls in their efforts to become more useful.
