## Payment of Taxes the New Law

Provisions of the Session Law of 1913, relating to the payment of taxes, in the State of Oregon for the year 1913, and thereafter:

**To Whom Payable**—The county treasurer of each county shall be the collector of taxes until the same be delinquent—on and after delinquency the Sheriff of each county shall be the collector thereof.

**When Payable**—Taxes legally levied and charged shall be paid before the 1st day of April following; provided that one-half of the tax assessed against any particular piece of property may be paid before the said 1st day of April—the remaining half of such tax to be paid prior to the 1st day of September following. Taxes may be paid shortly after the first of the year or as soon as the tax rolls are received from the Assessor, whose duty it is, under the law, to extend the tax.

**Penalties**—If taxes are not paid before the 1st day of April, penalties shall be charged on such taxes and added to and collected with the same, as follows:

1 per cent on all taxes paid on and after said 1st day of April and before the 1st day of May following.

2 per cent on all taxes paid on and after said 1st day of May and before the 1st day of June following.

3 per cent on all taxes paid on and after said 1st day of June and before the 1st day of July following.

4 per cent on all taxes paid on and after said 1st day of July and before the 1st day of August following.

5 per cent on all taxes paid on and after said 1st day of August and before the 1st day of September following.

In case of the payment of one-half of the tax before the 1st day of April, the penalties specified above shall apply to and be collected with the remaining half of such taxes, to be paid prior to said 1st day of September following.

**Delinquent**—All taxes remaining unpaid on the said 1st day of September shall become delinquent. Upon all taxes so delinquent there shall be charged and collected a penalty of 10 per cent, and interest at the rate of 12 per cent, per annum on such taxes from the day on which they become delinquent until their payment. Any day after the expiration of one month after such taxes become delinquent, the Sheriff shall have the right and it shall be his duty upon demand and payment of taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against the property. Such certificates shall bear interest at the rate of 15 per cent, per annum and the holder thereof may fore-

close the lien of such certificate at any time after the expiration of three years, but such foreclosure proceedings must be commenced within six years from the date of the original delinquency and not afterwards.

**Mistake in Paying Taxes on Another's Property**—If any property owner shall pay taxes on the property of another by mistake of any kind and the owner of such property fails or refuses after thirty days' demand to reimburse such payer before the date on which the delinquent certificates are issued the payer or his assignees may surrender the tax receipt given for such tax payment to the Sheriff and take a certificate of delinquency in lieu thereof and payment of accrued interest thereon.

The above excerpt of the new tax law was compiled for publication by County Treasurer McCluskey.

## Another Teachers' Meeting

This one will be held at Nashville December 6th, 1913. Meetings of this kind have been held at Nashville in times past and were well attended both by teachers and patrons.

The schools of the county are doing better work all the time, and there is no reason to believe that any one thing is doing more for the schools than these meetings, which brings the teachers and patrons closer together and unites them in their efforts to increase the efficiency of the schools. Co-operation is the greatest factor we have, so come out and assist us in making better schools for the boys and girls of our county. R. P. Goin, County School Supt.
