Plank-Ball

Miss Edith Ball and Fay Plank surprised their friends and their families by slipping over to Vancouver, Washington, last week and getting married. Miss Ball went to Portland for a visit, returning home Christmas night, and it was some days before her family learned she had married.

The bride is the second daughter of Assessor and Mrs. W. E. Ball and has made her home in this city for several years, and has a host of friends who wish her a life of happiness. The groom has also resided in this city for years. He is the only son of Mr. and Mrs. J. G. Plank, and has for the past several months been working in Portland learning the barbers' trade. He will soon get his barbers' license then intends setting up a shop of his own. He will return to Portland now and resume his work, while his bride will return to Taft and finish teaching her term of school. The Leader begs to join the many friends of the couple in extending congratulations and well wishes.

The Newport Dramatic Club gave their play by the above name at Woodmen Hall in this city last Saturday night. A good crowd was out and were well entertained. The cast was strong and every part was excellently handled. It was undoubtedly the best produced play ever put on in this place. The Club promises to return with another play in the near future and we assure them a royal welcome. Picken's orchestra came up from Newport and furnished excellent music during the entertainment. This company established a new precedent by raising their curtain promptly on the minute advertised, consequently some of the people missed the opening chapters.
