#### Married

At the home of the bride in this city lest Sunday morning at 9:30 o'clock was solempized a pretty home wedding when Miss Esther Copeland became the bride of Maurice Andersen, Rev. Sanford Snyder performing the ceremony. Only the immediate relatives were present to witness the ceremony.

This couple is one of the most popular in the city. The bride has resided in Toledo all her life. and is the daughter of Mr. and Mrs. W. C. Copeland. She has been a teacher in Toledo's public schools for a number of years, is accomplished and very popular. The groom is the son of Mr. and Mrs. L. H. Payne, now residing at Newport, and has made his home in this city for several years. He is a marine engineer by profession,

is enterprising and industrious. Mr and Mrs. Andersen depart tomorrow morning for a honeymoon trip to Humbelt bay, California, and will return here in the Spring and make their home.

The Leader begs to join the many friends of this couple in wishing them a life of happiness and prosperity

### Toledo Improvement Club

The citizens of Toledo again met at the City Hall last Tuesday evening and perfected a permanent organization to be known as the Tcledo Improvement Club, the object of which is to work for the betterment of the town in every way possible. The officers elected are W. E. Ball, president: G. W. Huffman, vice president: R. E. Collins secretary; I. R. Wishurt, treasurer J. B. Miller, A. T. Peterson, Ted McElwain, Bert Geer and E. J. Clark, executive committee. The regular meetings of the Club will be held on Thursday evening of eich week, the first regular meeting will be held Thursday, February 26th. About thirty members joined the Club at the meeting Tuesday evening, and it is thought that as soon as the organization is in running order there will be seventyfive or more members.

It is up to every public spirited man in the community to join this Club and assist in every way possible to improve the town and

We must all join hands if we wish Toledo to keep pace with the progress of the country. Join the Club and help all you can.

That hogs are more profitable in Hood River Valley than fruit is the assertion of a rancher in that section who last year marketed 130 animals for which he received \$2,755. Among the porkers disposed of was one weighing 720 pounds dressed, said to be the largest ever raised in that county.

Train Dispatcher Bert Boles of the Corvallis & Eastern railroad was over from Albany the first of the week. Mr. Boles says the company is getting along nicley with the re-construction of the road and will have things in good running order before the Summer season begins. The road will be able to haul heavier trains and the trains will be able to cut the running time an hour each way during the run. This will especially be appreciated by the excursionists who will have at least two hours more to spend at the beach. The heavy rails are now laid to Oysterville.

At the meeting of the council last Monday evening Councilman Rosebrook suggested that the Council pass ordinances as follows: A The following Daily Sales next week at general ordinance against misdemeanors commmitted within the city; snother prohibiting minors smoking on the streets with the penalty for violation thereof placed at from \$1 to \$10; another making it a misdemeanor for merchants to sell tobacco or cigarettes to minors same placed at from \$10 to \$50. Mayor Gaither further suggested that another ordinance be drawn prohibiting minors from entering pool or billiard balls or playing games therein, also making it a misdemeanor punishable by fine for a minor to misprepesent his age to gain admission to such places. The ordinance committee was instructed to have such ordinances prepared for introduction at the next meeting.

#### Electric Plant For Toledo

It is persistently rumored that the same company which has pur-chased the Yaquina Electric Co's plant at Newport is to purchase the Toledo plant also, and will install a large plant here to furnish light and power for this city and Newport, pending the construction of the hydro-electric plant on the Siletz. This rumor is strengthened by the fact that Mr. Welch hus secured an option on this plant. Here's hoping.
