Newport

The two days' celebration at Newport was not attended by a large crowd, possibly because of previous arrangements, but there was no lack of good cheer and enjoyment. The opening was with a parade and made the rounds of the town. The program followed the parade and went on to the grounds. The program included dramas and musical numbers by the local high school band. The weather was excellent, with a cool breeze, and the crowd was enthusiastic. There was a fair number of guests from surrounding towns who attended the celebration. The festivities continued into the evening with a dance at the state line. The town looked its best, and the floats were colorful and well-made. The day was a great success, and everyone had a good time.
