ABOUT BOOZE

Those who oppose prohibition and who read the last Oregon Sunday Journal, had a hard jolt by that interview of the warden of our state penitentiary. He said, "if I could wipe out booze I could almost empty the prison and keep it empty." And those who advocate high license in Toledo ought to have visited our "cooler" last week, which held eight drunks at a time with others lying around under trees. \$2000 income and at least four times that loss is not good business for any town. And the children suffer the most. In 50 years of teaching I have had no really bright pupil whose father used liquor to excess. And so-called "moderate drinking" is excess. Vote right in November.

That \$1500 Exemption
 It will positively lessen the tax of every one of my neighbors. It will lessen the tax of nearly all farmers on small places. It will increase the tax of those who hold unimproved lots in towns and in the country. Three-fourths of Lincoln county lands are held by non-resident owners—mostly speculators. Three-fourths of Toledo lots are unimproved. These will pay more tax, and justly. No one has a moral right to hold land he does not use, but holds for speculation.

And voting for this exemption votes again to tax the thousands of dollars the rich now escape taxation of in wells, ect.

T. T. Geer's Speech Thursday At the Fair.

A base solo from the president of the Harmony Club, and the most unfair political speech I have heard for a number of years. Altho he is a Republican, I think he knows better than to lay the hard times of the past and the present to the Democratic party alone. Senator Chamberlain has actually voted half of the time on the side of the people, and what Republican Congressman from Oregon has ever equaled that? A Republican pot should not call a Democrat kettle black. Both need whitewash.

Prof. French told us how to standardize potatoes and how to put each potatoe in a pink wrapper and sell it in Chicago at two cents per pound. He didn't tell us how to escape the one cent tariff of the railroad or the gouge of the commission men.

And he said no one would buy improperly shaped potatoes or onions. He was wrong. Socialists have to buy these kinds. Other parties say we must—by their votes. C. M. Drake.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
 Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Beware of cheap imitations. Take Hall's Family Pills for constipation.
