### Newport

Died—At the home of his son in law, Charles Putnam, George D. Reynolds, of Brights Disease, December 3d, 1914, aged 66 years, 11 months and three days. Mr. Reynolds came to Newport one year ago for the benefit of his health, although it benefitted him some the ravages of the disease never stopped. He is survived by one daughter, who lives at Newport, one son who lives in Portland, and works as typo in the Oregonian office. The body was taken to Salem for interment.

John Hill and wife came in from Portland Thursday evening on their way to their home at Taft. Mrs. Hill has been in the hospital at Portland.

The city election passed off very quietly. The day was bad and a small vote polled. The center of interest was in the fight for marshal. The main candidates for this office were John Frey and D. E. Hickox. The latter was elected by a small majority. Mr. Hickox is a new man at Newport. The candidate for mayor, R. A. Bessell, had no opposition and was therefore elected by a handsome majority. The council elected are all new men except Mr. Arnsen. The following are the officers and councilmen elected: Mayor, R. A. Bessell; Recorder, D. T. Harding; Marshal, D. E. Hickox; Treasurer, Arthur Wing; Councilman, 1st ward, G. A. Arnsen and J. L. Rickman; 2d ward, A. J. Brown and Walter Waldrad; 3d ward, R. A. Payne, A. L. Swartz and A. Kirkland. The \$20,000 bond to refund a part of the city's indebtedness passed by 173 majority. The total indebtedness will be \$70,000, including the water bond. This don't look like very good business. The city's population is about 1000.

Died—At the family home at Siletz, December 2d, 1914, Ada daughter of James Davis and wife, aged 14 years.

### LELAND A. WOOD

Leland A. Wood was born in Princeville, Illinois, September 11, 1898. He was the son of Mr. and Mrs. Reuben Wood.

He came to Oregon with his parents in 1902, and lived near Chitwood. His father died October 9, 1906, and one of his brothers May, 1912. Leland was the youngest of a family of eight children, all of whom remain, except the brother mentioned above. Leland was a good boy, loved and respected by all who knew him. His going will be mourned by a number of friends who sympathize with the mother, brother and sisters. For the past four years he has been a patient sufferer from heart disease. All that kind hands and loving hearts could do had been done, but seemingly in vain, for on Friday evening, December 4, 1914, he was no more on this earth, for he went to his long home. His passing was from Albany, Oregon, where he had been taken for medical treatment.

The funeral services were conducted at the church in Chitwood, Tuesday, December 8, 1914, by Rev. Robert H. Allen, pastor of the Methodist Episcopal Church in Toledo. The remains were interred in the cemetery at Chitwood.

No doubt the scoundrels who went into the house of F. R. Weaver, on their homestead last Sunday and destroyed the furniture, broke the windows, etc., will be punished for their act. They are known and the officers are going to get them, and we do hope they will get the full limit of the law. Our only regret is that the law for such acts is not more severe. Such whelps are no good to the community and should not be allowed their freedom.

All kinds of gifts for Holiday gifts at the Bonboniere.

Come in and look our line of Holiday Goods over. Our prices are right. Toledo Drug Co.

"Those Dreadful Twins" at Woodmen Hall next Friday evening. Reserved seats 50c.; general admission 35c.; children 25c. Seats on sale at the drug store.

Petitions for a recall election have been filed and the county attorney of Tillamook county will soon face a recall election. The attorney was appointed by Governor West. Since the recall proceedings have been started the Governor has asked his resignation, thus hoping to save the county the expense of an election. The request was refused and the election will be held. We have heard considerable talk of a recall in this county, but we do not believe it to be good policy, as it costs too much to hold an election, and the same result can be obtained at a general election. We do not believe in the recall being invoked unless absolutely necessary.

### J. RYAN LOSES LIFE

Last Saturday evening as the passenger train was leaving town it struck J. Ryan, who lived about two blocks down the track from the station, breaking and badly crushing a leg and injuring him otherwise, later he died at a hospital in Albany.

Mr. Ryan, who was very deaf, had just quit work at the sawmill, had been to the depot to get his daily paper, and was going home, just ahead of the train. It appears he walked down the track on the end of the ties until near home, when he started to cross over, when struck. He did not hear the train, although he knew it was about due to leave the depot.

Engineer Casteel stopped the train as soon as possible on striking the man. The injured man was carried to his home, a short distance from the scene of the accident. Drs. Burgess and Tharp called and did everything possible to relieve his suffering.

The railroad company sent a train up from Yaquina and took the injured man to the hospital at Albany. The train left here about 1:30 a. m. At the hospital it was found necessary to amputate the leg, which was done, but the shock was too great and he died shortly after the operation.

Mr. Ryan and family resided in Toledo for the past two years. He was an honest, hard working man, and the family has the sympathy of the whole community in their sad bereavement.

### THE CITY ELECTION

The city election last Monday resulted in a light vote being cast, due to a storm, wet day. There was but one ticket in the field. The following is the complete official vote:

For Mayor—R. A. Arnold, 170, Mike Mackey, 2, Jack Fogarty 1, Gust Olson 1, Ira Wishart 2, G. R. Schenck 1.

For Recorder—F. N. Hayden 191, Gust Olson 1, C. K. Crosno 1.

For Treasurer—C. O. Hawkins 180.

For Marshal—R. J. Groth 39, F. J. McElwain 73, Earl Nye 95.

For Councilmen—J. Swearingen 173, W. Lingenfelter 89, Frank Parker 2, R. P. Goin 91, Anton Jacobson 13, J. W. Graham 9, Ira Wishart 1, F. Carson 7, R. Van Cleve 2, Mrs. Harding 10, J. ### TELEPHONE AND ELECTRIC

Billy Graham came near having a serious accident last Tuesday morning as he was starting for Siletz. In going down the hill in leaving town one of his horses fell on the plank road and it being very slippery the animal could not regain its feet, but in attempting to do so it pushed the other horse off the grade when the whole outfit slid down the steep embankment to the railroad track. One of the horses was slightly cut and the tongue to the hack was bent which was all the damage done.

W. C. Bingham and family departed Monday morning for their future home at Hillsboro. Mr. Bingham traded his property here to Mr. Horiocher for the latter's property in Hillsboro.
