**THAT TRUTH JUGGLER**

BUSY AGAIN

The way the editor of the Sentinel juggled the truth in his last Saturday's issue was simply something scandalous. In fact his article regarding the cost of county printing reminded us of the man who told the whopping big fish story to a stranger. The stranger patiently listened to the narrative and when the fisherman had finished he said, "do you know who I am," the fisherman assured him he did not, "well, I am the game warden, and you may consider yourself under arrest." "Well," said the fisherman, "do you know who I am; I am the biggest liar in seven counties."

Mr. Stewart's article seems to infer that the County Court isn't capable of looking after the county's finances, then as a kind of a sweetener to the bitter dose which he hands to the Court he winds up by saying, "The Court could do nothing but pay the claim. The work had been ordered by the old Court and it was the duty of the present Court to pay the amount of the claim."

Now, this statement is nothing more than a malicious lie. The old Court never had anything to do with any of the printing mentioned in the Sentinel's lying article.

According to the Sentinel the main steal was made on the printing of the ten thousand tax receipts printed by the Leader for the county at a total cost of \$135. Mr. Stewart says he can do the same job for \$75. - Two years ago this work was done by a Portland firm and cost the county \$145 and express on the same which amounted to nearly \$5. We printed the same this year at a total cost of \$135, a saving to the county of nearly \$15. The paper for making these receipts cost us \$73.50 laid down here in Toledo. Each receipt had to be printed in duplicate and the law printed on the back of the original, making thirty thousand impressions in all. Then the receipts had to be folded, making ten thousand more sheets to handle. Then the forms, one for the receipt and one to print the law on the back, had to be set up and made ready for the press. Then the printing was a delicate job, the paper being ruled off in squares and columns and each word had to print in its proper square at the head of a certain column. If Mr. Stewart was any sort of a printer he would know something of the work it takes to do a job of this sort.

Most of you know what kind of an equipment the Sentinel has, also the Leader's. You know Mr. Stewart and you know us. We will let you draw your own conclusions.

We also believe that all the members of the County Court are as capable of running their offices as is Mr. Stewart.

**TOLEDO'S BOY SCOUT ORGANIZATION**

Fox Troop, No. 15969, of the National Boy Scouts of America, met in regular session at the residence of Mr. and Mrs. J. G. Plank last Tuesday evening, and it was a most interesting meeting.

This company was organized by Mr. Plank several weeks ago, and now has a membership of twenty-two, with the following officers: Scoutmaster, J. G. Plank; Captain, Walter McCaulou; Assistant Captain, Tom Harding; Secretary, Jim Ross; Treasurer, Jim Derrick.

The little fellows are taking great interest in the work and their meetings are devoted to study of their duties and a social good time. A representative of the Leader visited their meeting Tuesday evening and witnessed one of the most orderly, business-like meetings he has ever attended. The way the little chaps followed parliamentary rules and stuck to business generally would put to shame a bunch of we older fellows, who think we know it all.

The boys are getting their badges, suits and other paraphernalia and by Summer time will be in fine working order. They are now planning to put on a play to raise funds to buy nec-

essary books and provide headquarters. The cast in the play will be made up entirely from the ranks of the company, boys ranging in age from eight to sixteen years.

Last Saturday Scoutmaster Plank with seventeen of the boys visited the old ranch home of the former, five miles south of town, and spent the night. They cooked their own meals, slept on boards in sheds, kept fires going all night and had a dandy, good time generally. They are figuring on many more outing trips during the Summer.

Everyone is too familiar with the workings of the organization of Boy Scouts for us to go into detail regarding their work. Every boy should be a Scout. Every parent should give Mr. Plank and his band of Scouts every encouragement. They are doing good work and every boy who becomes a Scout becomes a better, more useful and better mannered boy.

**MEN, TAKE NOTICE!**

The Loyal Order of Moose will initiate another large class at the meeting Friday evening, the 26th. Get busy while the charter is open. See Lafferty.

**SCHOOL NOTES**

Mrs. Pratt and Miss Austin visited the school Tuesday afternoon.

Ada Carson is back at school again, after an absence of a week.

Charlie Edwards of the 4th grade left Saturday morning for Missoula, Montana.

Miss Gaither and pupils spent Tuesday afternoon gathering wild flowers.

Ruth Leeper, of the 5th grade, left Tuesday for Albany, where she will again attend school.

The Third and Fourth grades with their teacher, Miss Gaither, have been making flower beds on the south side of the school building.

**AN EXCITING BEAR CHASE**

Conrad Thompson of Beaver creek was out last Sunday and G. B. Ryan's dog was with him. The dog started a bear and after chasing him for three miles succeeded in putting him up a tree. When Thompson arrived he found that it was a hollow cedar tree and that bruin was inside. He had two or three matches and tried to make a fire to smoke the bear out, but he was unable to get a fire started. Failing in his efforts to start a fire the brave boy crawled inside the tree and began shooting up at the bear. He could not see the bear, but after he had shot several times the blood began to drip, and Thompson heard the bear growling and coming down. He got out of the tree and when the bear got to the ground the dog rushed in and grabbed him, rolling and tumbling about until Thompson got a shot at the bear's head.

**NOTICE TO CONTRACTORS**

The County Court of Lincoln county, state of Oregon, will receive sealed bids for clearing the right of way, grubbing and grading a 14 foot road bed, beginning at what is known as the Hammer place in Road District No. 21, and extending down the Siletz river on the line of said road survey a distance of 2 miles.

All bids must be filed with the County Clerk of Lincoln County, Oregon, on or before 9 o'clock a. m. Thursday, April 1, 1915, and must be accompanied by a certified check amounting to 5 per cent. of amount bid.

R. H. Howell, County Clerk.

**NOTICE OF PROPOSED STREET IMPROVEMENT**

Notice is hereby given that the Common Council of the City of Toledo, Oregon, contemplates the improving of Fourth street between the intersections of Graham street and Stanton Street by grading same the full width of said street, in accordance with the grade to be established by the City.

This notice is published in the Lincoln County Leader for two issues, beginning with the issue of March 19, 1915, and ending with the issue of March 26, 1915, by order of the Common Council of the City of Toledo.

Any objections or remonstrance to said improvement must be filed in writing with the City Recorder on or before ten days from the date of the last publication of this notice as here set out. F. N. Hayden, City Recorder. Toledo, Or., March 19, 1915.

The Ford is lighter than any other car of its size and power. Yet stronger, sturdier, longer lasting. Vanadium steel, that's why. Vanadium is the hardest, strongest, toughest steel made. It is the only steel that is hard and tough at the same time. It is the highest priced steel that is used in automobile construction. Yet the Ford is very low in price. Its quality, terms, price and small cost of operation and upkeep, less than two cents a mile, have made it the universal necessity in town and country.

Buyers will share in profits if we sell at retail 300,000 new Ford cars between August, 1914, and August, 1915.

Runabout, \$440; Touring Car, \$490; Town Car, \$690; Couplet, \$750; Sedan, \$975, f. o. b. Detroit with all equipment.

On display and sale at Toledo, Oregon, by A. T. Peterson, Lincoln County agent.
