**DR. NORTH ARRESTED  
AS COIN SHAVER**  
Suspected of shaving gold  
coins for gold which he used in  
his practice, Dr. Norton North,  
aged 48, dentist, was arrested  
last night at Fifth and Washing-  
ton streets by Police Captain  
Circle, Lieutenant Harms and  
Patrolman Martin and is held  
without bail pending an investi-  
gation by government officials.  
Two shaved coins were found  
in the dentist's pockets.  
The police caught Dr. North  
in his office where it is alleged  
that he shaved coins after the  
building had been deserted by  
other tenants for the night.  
How the dentist worked the gold  
from the coins was not made  
public by the police.—Portland  
Telegram.  
Dr. North was well known in  
this place where he practiced his  
profession occasionally a few  
years ago.

**Ford**  
THE UNIVERSAL CAR  
The Ford is lighter than any other car of its size  
and power. Yet stronger, sturdier, longer last-  
ing. Vanadium steel, that's why. Vanadium is  
the hardest, strongest, toughest steel made. It  
is the only steel that is hard and tough at the  
same time. It is the highest priced steel that is  
used in automobile construction. Yet the Ford  
is very low in price. Its quality, terms, price and  
small cost of operation and upkeep, less than two  
cents a mile, have made it the universal neces-  
sity in town and country.  
Buyers will share in profits if we sell at retail  
300,000 new Ford cars between August, 1914, and  
August, 1915.  
Runabout, \$440; Touring Car, \$490; Town Car,  
\$690; Coupelet, \$750; Sedan, \$975, f. o. b. Detroit  
with all equipment.  
On display and sale at Toledo, Oregon, by A. T.  
Peterson, Lincoln County agent.
