

**COUNTY COURT INSPECTS HIGHWAYS**

(Continued from Page 1)

to inspect the Rock creek and Raddant bridges, then returning to Toledo by way of the Siletz Agency.

Tuesday morning the trip to Newport was made, passing through district six, Joe Parkhurst supervisor. Z. C. Copeland ferried us across to South Beach and Lee Doty hitched his team onto the machine and towed us through the loose sand to the plank road leading to the beach. Arriving at the Alsea bay we were again towed through the loose sand by a Mr. Downs and Johnny Ludemann ferried us across to Waldport, where we arrived about eleven o'clock.

Waldport appeared to be pretty lively in spite of the quiet times in other sections. The two salmon canneries and the sawmill were operating and the town was full of Summer visitors.

After a fine dinner at The Wakefield the run down the beach to Yachats was made. The Yachats river was forded and we continued down the coast on the new government road around Cape Perpetua, where the road clings to the face of a sheer rock wall some two hundred feet above the sea.

Soon after passing the Cape we came to the Lane county line, but the road was so narrow that we had to go over in Lane county about a mile before we could turn around.

After turning around we again returned to the Yachats river and stayed at the Ocean View Hotel over night.

Wednesday morning we went up the Yachats valley some 12 miles, then over Yachats Mountain. This valley lies in district 19, Jim Harrison supervisor. The road up the valley is a fine gravelled road on a good grade, but the road over Yachats Mountain is one of the worst mountain roads in the county. It is six miles over the mountain and the road is very crooked with steep grades. Two wagon loads of campers have upset in coming over the mountain this Summer. The worst part of the road lies in Lane county. A new road has been surveyed and will be built soon.

The road on the east side of the mountain enters district 1, W. C. Skaggs supervisor. We now journeyed up Five River to the Lane county line. A gentleman by the name of Cox talked with the Court with regard to a new bridge over Five Rivers. Mr. Cox made quite an impression on the Court.

Coming down Five Rivers we took dinner at Denzer, then continued on down the river to where it empties into the Alsea river. We now turned east to the Alsea river in district four, Claire Trenholm supervisor. At the Benton county line we again turned around and came back down the Alsea river to Waldport. About two miles below Tidewater we were ferried across the river by James Kent, then after traveling on the government road for a couple of miles we came into district two, Fred Luehe supervisor.

In the Alsea valley above Tidewater we noticed a number of boys and girls gathering fox glove seeds from the plants on the hillsides, and upon inquiry being made we learned that they found ready sale for these seeds at the price of 12 1/2 cents per pound, they being used for medicinal purposes.

After staying over night at Waldport we ferried across the bay to Lutgens and came over the hills to Toledo, passing through district 3, Fred McWilliams supervisor, district 20, S. R. Howe supervisor, district 5, W. Weber supervisor, and district 9, J. H. Sugg supervisor.

We arrived about noon at the Geo. Selby ranch on Beaver creek, where at the invitation of Mr. Selby we partook of a fine dinner. Mr. Selby owns one of the finest ranches in the Beaver creek section, and his strawberry vines are full of large ripe berries at this late season.

We came on to Toledo in the afternoon arriving at the ferry landing on the south side of the bay about three o'clock, and were ferried across to Toledo about three o'clock the following afternoon, just 24 hours after we arrived.

The County Court is greatly impressed with the need of a bridge at this point and it will

undoubtedly be built next season.

While on this trip the Court gained much valuable knowledge as to the conditions and needs of the county roads, and can now manage more intelligently the road matters in the various sections they visited. During the trip seventeen districts were visited.

**DON'T FORGET THE MASS MEETING**

At a joint meeting of the Newport and Toledo Port Commissioners held at Newport the 31st of last month, a resolution was passed to call a mass meeting at Newport on the 18th of this month. A notice has been given out for this meeting and called to meet at the Odd Fellows Hall in Newport Saturday, the 18th at one o'clock p. m., to discuss the matter of improving the bar and harbor at Yaquina bay.

This is what every man, woman and child in Lincoln county and adjoining counties in the Willamette Valley should be interested in.

The future of Lincoln county and the Willamette valley depends greatly on these improvements. We have a letter from Hon. W. C. Hawley stating that he will be present at our meeting on the 18th. A letter from Hon. Binger Herman, who mentions in his letter Yaquina Bay as one of the first harbors on the coast. Through his assistance as Congressman years ago we got our first appropriations for the improvements of Yaquina bay. He is a staunch friend of this place. He states that he will try and be here at our meeting on the 18th. We certainly will be glad to meet our old friend once more and appreciate his being here very much.

A letter from Governor Withycombe states that on account of other engagements he will not be able to be present, but sincerely wishes us success in our desired improvements.

It is up to the people of Newport and Lincoln county to lay aside all factional grievances and work in harmony with each other, all pull together; if any fall down, to help him up and he will pull the harder.

Every individual should be interested to attend this meeting. We would also respectfully invite the ladies to attend.

As a citizen, and one of the Port Commissioners of Newport, I have taken upon myself this announcement in our local papers, hoping in this way to have it more thoroughly in the minds of the people.

Very respectfully,  
R. F. Baker,  
Newport, Oregon.

Mrs. Mattie C. Buechler and little daughter, Virginia, arrived from Bandon last evening. Mr. Moore's household goods should have come on the Bandon, but the steamer did not go in to that port on her trip up from San Francisco.

The Ever Ready Bible Class held its monthly meeting for September last Friday evening at the Methodist Church. Prof. Blough, teacher of the Class, was welcomed home. There was a good attendance but not one too large to interfere with the having of an unusually lively, good time.

Allan A. Engles of Roseburg spent several days with his brother in law, James McDonald, in this city. These gentlemen were old time chums, but had not met for forty-nine years until the former came here last week. Mr. Engles has been engaged in mining in Southern Oregon for many years. He departed Tuesday morning for his home.

Gust Olson was tried in justice court here last Saturday charged with selling liquor to Indians. The jury found him guilty and he was sentenced to one month in jail and a fine of \$200. Hawkins & McCluskey defended Olson and District Attorney Stewart prosecuted. The jury was composed of Alf Caton, Jack Fogarty, J. D. Hamaker, Will Hensley, T. P. Fish and K. S. Langhel. The case will be appealed to the Circuit Court, Olson's bond being placed at \$500.

Posters are around town announcing the Salmon River Grange Fair, Thursday and Friday of next week.

A special train was run from Yaquina last Sunday morning to carry the people to the funeral of the late P. A. Miller, who died at his home near Pioneer of heart failure last Thursday morning. Sixty people from Toledo attended the funeral.

Rev. and Mrs. Allen will leave for the Valley next Tuesday morning. Mr. Allen going to Roseburg to attend the Conference of the M. E. Church, and Mrs. Allen and baby going to Salem to spend the week visiting her mother, Mrs. Sanford Snyder.

**SPECIAL TAX LEVIES IN SCHOOL DISTRICTS**

Not just a few, but many, of the school districts in this county made special levies either at the annual meeting or since that time. Most of them, if not all, will have to make their levies over as the notices calling the meeting did not have the itemized budget in them. I just received the new form of notices to be used when calling a meeting to levy a tax. I will mail these new special meeting notices to the clerks of the school districts within a few days. As there is a difference of opinion as to the length of time the notices should be posted, I will suggest that you post them at least thirty (30) days before the meeting. Before levying any tax it would be well to read what is said on pages 86, 87, 88 and 89 of the 1915 School Laws. As there is plenty of time I will suggest that the levies are not made until after the valuations of the districts have been sent to the school clerks. It can then be told what tax to levy to raise the amount of money needed.

R. P. Goin,  
County School Superintendent.

**TWENTY-TWO YEARS AGO TODAY**
