HALLOWE'EN

We all have more or less of folly and malice in us. Custom, the folly of us all, says April let be the especial day to let folly have full sway. Custom links at malicious mischief on the eve of All Saints Day, October 31. Children are trained to look forward to that evening by parading, pumpkin faces, school drawings, and going out for mischief.

Last Saturday evening there was probably an average of \$25 damage done in the towns of Oregon. At least \$100 in this county, beyond ordinary evenness. And who can estimate the damage to characters, for our jail is full at this writing. Neighbors are at odds; and we all have to pay.

The boys are not the ones mostly to blame. The whole community shares in the blame. Parents rehearse the tricks they can do, and they do not see to it that their boys, from 10 to 20 years old, are at home that night from dark to sunup. Preachers are supposed to be guardians of morals. Did you here give a talk on the humor of Halloween? Or did a teacher? We turn that over to the town marshal and the police and afterwards to the courts. Begun in superstition we do not seem to learn better these thousand years. And we never make the folks who do the mischief settle for it with their own labor. C. M. Drake.

"Divvy Up!"

"Butter-Kist" Pop Corn is so crisp, fresh and pure, it's almost too good to share. The very choicest, seasoned pop corn, popped just right and the excess moisture dried out, then buttered with pure creamery butter—untouched by hands.

"Butter-Kist" Pop Corn

is popped in a new, automatic machine that does nearly everything but make change. We simply put the raw corn in at the top and the "Butter-Kist" Popper turns it out in big, snowy, tempting flakes, freshly salted and buttered—a delicious treat.

Come in and see it work!

Archie Pepin of Chitwood was a county seat visitor Wednesday. Coroner O. R. Hollingsworth went to Newport Tuesday evening.

At the special school meeting held at the Grammar School last Saturday a six mill levy was made to defray the expenses of the school for the coming year. This is the same levy that was made last year.

Mr. and Mrs. R. A. Arnold, Mr. and Mrs. G. B. McCluskey and Mr. and Mrs. F. N. Hayden went to Siletz last Saturday to spend the week-end with Mr. and Mrs. Warren Hall of that place. They brought home a fine bunch of trout.

Mrs. Wm. Scarth fell the first of the week at her home on Big Elk and it was thought at first that she had fractured her hip, but upon an examination being made by Dr. Burgess it was found that the bone was not broken, though the injury is a very painful one.

Twenty of the friends of Peter Frederick called in on him last Tuesday evening and gave him a real, old-fashioned surprise party, the occasion being his birthday. The evening was most pleasantly spent in playing "500," social intercourse, music and a good time generally. Refreshments were served at 11:30.

The neighbors of Mrs. Mork met at her home Sunday, the 24th, for a birthday picnic dinner, in honor of her birthday. Those present were, Mr. and Mrs. Nels Strahn, Mr. and Mrs. Ole Amundson, Mr. and Mrs. J. W. Harrison, Mr. and Mrs. Nelson, Mr. and Mrs. T. B. Butler, Mrs. Burnett, Frank Harrison, Floyd Butler, John and Rudy Butler. The ladies presented Mrs. Mork with many beautiful birthday day presents. All had a most enjoyable time.

The steamer Bandon has been off the Yaquina bar the past two days waiting for the bar to calm down so she can come in for a load of lumber. The steamer Fifield is still tied up in the lower bay waiting for a smooth bar. For the past several weeks hard storms have been raging off the coast, and while we have been experiencing fine weather here there has been a strong surf running and it is impossible for vessels to safely cross in and out.

Remember when you want slab, edging or block wood and see Johnny Yasek.

Halloween night there was considerable damage done to property here in Toledo. The boys may have done it in fun but a whole lot of it looks like it was done for just pure cusdedness. The City Marshal did not capture any of the "gang" that night, but is trying to get the goods on some of them and if possible they will be subjected to a good, stiff fine. No one objects to the boys having fun, but they carried it a little too far this time.

Has the Church a message for the modern man? You are invited to hear an interesting discussion of this topic by the pastor at the Methodist Episcopal Church Sunday evening.

Newport and Toledo High School football teams meet on the Toledo gridiron tomorrow. This is the second game this season between these teams. Newport won the other game but the local boys are figuring on winning this one. Come out and root for the home boys.

LAFFERTY OUT FOR DISTRICT ATTORNEY

P. A. Lafferty, when interviewed by a representative of this paper with reference to his candidacy for the Prosecuting Attorneyship for this county, stated that he would be a candidate for the republican nomination for that office at the coming primaries and hopes to be nominated and elected. He says he is qualified to fill it. He has had extensive experience in the Federal Courts and before the Department of the Interior.

Mr. Lafferty lives with his family on a ranch near Eddyville, but has his law office here in Toledo, in the Ofsteadahl Bld. He is a brother of ex-Congressman A. W. Lafferty. Pat is one of the best mixers in these parts and will make somebody know he is in the race.
