"Butter-Kist" Pop Corn is so crisp, fresh and pure, it's almost too good to share.

The very choicest, seasoned pop corn, popped just right and the excess moisture dried out, then buttered with pure creamery butter—untouched by hands.

## "Butter-Kist" Pop Corn

is popped in a new, automatic machine that does nearly everything but make change. We simply put the raw corn in at the top and the "Butter-Kist" Popper turns it out in big, snowy, tempting flakes, freshly salted and buttered—a delicious treat.

Come in and see it work!

Word was received here last Saturday that Bert Howe, who formerly worked in the barber shop here, had died from the effects of an operation for appendicitis in Wyoming. This was an error we are pleased to state. A later message stated that Bert was getting along nicely.

At the city election last Monday J. S. Akin, John Turnidge and R. R. Miller were elected councilmen to serve for a period of two years. Both amendments carried by good majorities. The election board was composed entirely of ladies and they did their work in a very efficient manner.

J. D. Mickel, state dairy and food commissioner, and E. B. Pitts of the O.A.C., arrived last evening and are meeting with the directors of the local creamery today. These gentlemen are interested in the move to organize all the co-operative creameries in the state to market their product through a state wide organization.

Students attending O.A.C. from Lincoln county are reported by the registrar as follows: Earle Boone, Toledo, junior in English; Ralph Coleman, Newport, sophomore in agriculture; Emma L. Glines, Waldport, sophomore in home economics; Hallie Glines, Waldport, sophomore in home economics; C. Head, Waldport, sophomore in home economics; and R. L. West, Westport, senior in agriculture.

The case of Grant King vs. Fred Butterfield was tried in Justice Court here last Tuesday. King brought suit to collect a board bill contracted by Butterfield while working on the road at Siletz some months ago. Butterfield contended the contractor, whom he was working under, had agreed to pay for his board. W. E. Gwynn appeared for the defendant and J. F. Stewart for the plaintiff. A verdict was rendered in favor of King.

The Boy Scouts' entertainment at the Dime theater last evening was good. The little fellows, under the leadership of Scout Master Bert Geer, each and every one did excellent work, the picture reels were fine, and the audience was well pleased with the show. The money taken in will be used to buy uniforms and equipment for the scouts. This organization should have at least one hundred boys enrolled here.

### SKOOKUM

Skookum has a new mill, it runs steadier than the Toledo mill and its product is used at home without a port tax. The only complaint of the management is that he don't let the cider get "skookum." So we buy our vinegar at Toledo.

Andrew Carnegie has sworn off \$5,000,000 of personal property from the tax roll. If he swore more than Skookumites does at its tax roll, Andrew is not so good a Christian as he supposes he is.

Miss Lily Storms transferred her money from the Lisle Bank to the Lincoln County Bank. It is whispered (but not believed) that one of the younger bankers turned his back to her during the transfer. Both are too little for that, and the counter is high.

Eighteen of the new Sears & Roebuck catalogues came to the office at Skookum. There is no closed season for suckers. Pearson's says S. & R. escaped paying taxes on a million of stock for years and that would pay for many catalogues. And they are among the chief offenders in the present strike of garment makers in Chicago.

But what is that to Skookum if people will live in Chicago and work 12 hours a day for \$6c. so long as Skookum can save a dollar on a suit of clothes? We patronize our home stores when we get out of cash, and growl over our bills. And if they don't pay good prices for Skookum butter and cabbage we can cuss 'em good.

One stingy Skookum widder has put up a spite fence to shut off a neighbor's chickens from her ground. And she hasn't a chick of her own. You can feed in my field, chickens, and lay there. My kid is a Texas Skookum for finding hens' nests. Be neighborly.

Lincoln county bid in several hundred town lots last Summer for delinquent taxes. Why not raffle them off as the women did the sofa pillow? And have every ticket draw a prize. Think what a hundred families in Bay View addition to Yaquina would mean! Or even fifty families in the Fifth addition to Skookum! Against the law? Let him who doesn't break the law cast the first stone.

A Newport editor was here last week getting new subscribers. Bill Storm told him his paper was as good as the Leader before it went to press. Bill always discourages home enterprise, and takes the Oregonian!!!!
