TOLEDO COMMERCIAL CLUB ORGANIZED

Last Tuesday evening a meeting was held at the City Hall for the purpose of organizing a commercial club. The officers of the old club—the Toledo Improvement Club—presided at this meeting until the new officers for the new organization were elected. President W. E. Ball, of the old club, presided, and the first business of the meeting was the election of officers. R. H. Howell was chosen president; E. Currey, vice president; Ewd. J. Clark, secretary; C. O. Hawkins, treasurer and R. H. Howell, R. S. Van Cleave, J. S. Akin, I. R. Wishart, Arthur Nye and W. E. Ball executive committee.

The name of the new organization will be the Toledo Commercial Club. The meetings will be held at the call of the executive committee and the object of the organization, as everyone knows is to promote the interests of Toledo and Lincoln county in every way possible. Every man in Toledo and vicinity is invited to join and help boost. It is our duty we owe to our town, our county and ourselves to do so. Enroll your name with the secretary, Mr. Clark.

Albert Taylor of Newport was arrested the first of the week by U. S. Marshal Dave Fuller and brought before Deputy U. S. Commissioner Ethel Bateman for a hearing. Taylor was charged with the crime of carrying on the business of a retail liquor dealer without having paid the special government license as required by law. Mr. Taylor was bound over to the U. S. District Court at Portland under \$500 bonds. C. B. Montague signed the complaint and C. T. Hanners and E. E. Oite, the stool pigeons who were recently here, are named as witnesses.

Mrs. W. E. Williams and little daughter departed Monday for a visit with her father and other relatives at West Chester, Pa. Mrs. Williams will spend a day or two in Portland, arriving at West Chester next Monday. She expects to be gone about three months. Mr. Williams accompanied her as far as Albany, returning Monday evening.

The Ladies Civic Improvement Club presented petitions to the City Council last Monday evening, requesting the Council to call a special initiative election to vote upon the purchase of a city park for fair grounds. The request was granted by the Council and May 6th was set as said election day.

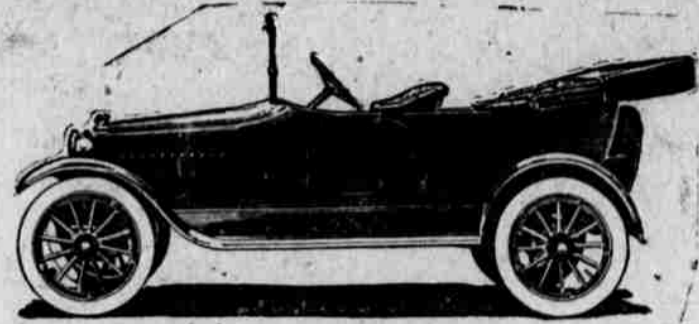

The survey of the Yaquina bar and harbor means much to Lincoln county and we thank our representatives and congressmen for their good work in obtaining the survey. No small measure of thank are also due Mr. F. R. Pendleton for his assistance in the matter.

Miss Cook, principal of the Siletz schools, was in the city Wednesday, enroute to Cheney, Washington. Miss Cook has had to give up teaching on account of poor health. She spent a couple of days at Newport leaving this morning for Washington.

W. Polak, the Albany chittim dealer, was in the city Tuesday

SAXON "SIX"

A big touring car for five people

The top place car
in its price class

Here is a finished example of the modern quality car. It will meet fully your ideals—in beauty, in luxury, in comfort, in strength, in power

It typifies—in every feature, in every detail—the newest developments in fine automobile construction. And the price—\$785—a new price for a class car.

Here are
resistless attractions

If you seek the utmost in present-day automobile value—then this Saxon "Six" at \$785 will surely win you.

It has lightness—gained through costly materials and ablest design. So it is strong and rugged, too.

It has power—of fluid smoothness and flexibility. No car of like price can compare—we believe—in acceleration and all-round performance under all conditions. And this Saxon "Six" high-speed motor develops great

er power per gallon of gasoline.

It has beauty—unrivaled yacht-line grace. Its finish is of superb and lasting lustre. It has comfort—it is a big, roomy car. All five passengers have ample space. The wheel base is 112 inches.

It has operative economy. Saxon "Six" high-speed motor saves greatly in fuel cost. It has a two-unit electric starting and lighting system—silent, efficient, reliable.

It has Timken axles, with full Timken bearings throughout the chassis. Even costly cars have no better. It has helical bevel driving gears. Thus the noise and friction common to many cars are eliminated in Saxon "Six."

It has linoleum covered aluminum bound running boards and floor boards—and nearly a score more of further refinements. Come see this new series Saxon "Six." You'll find it the top place car of the times—at anywhere near its price.
